

ENTHENDE

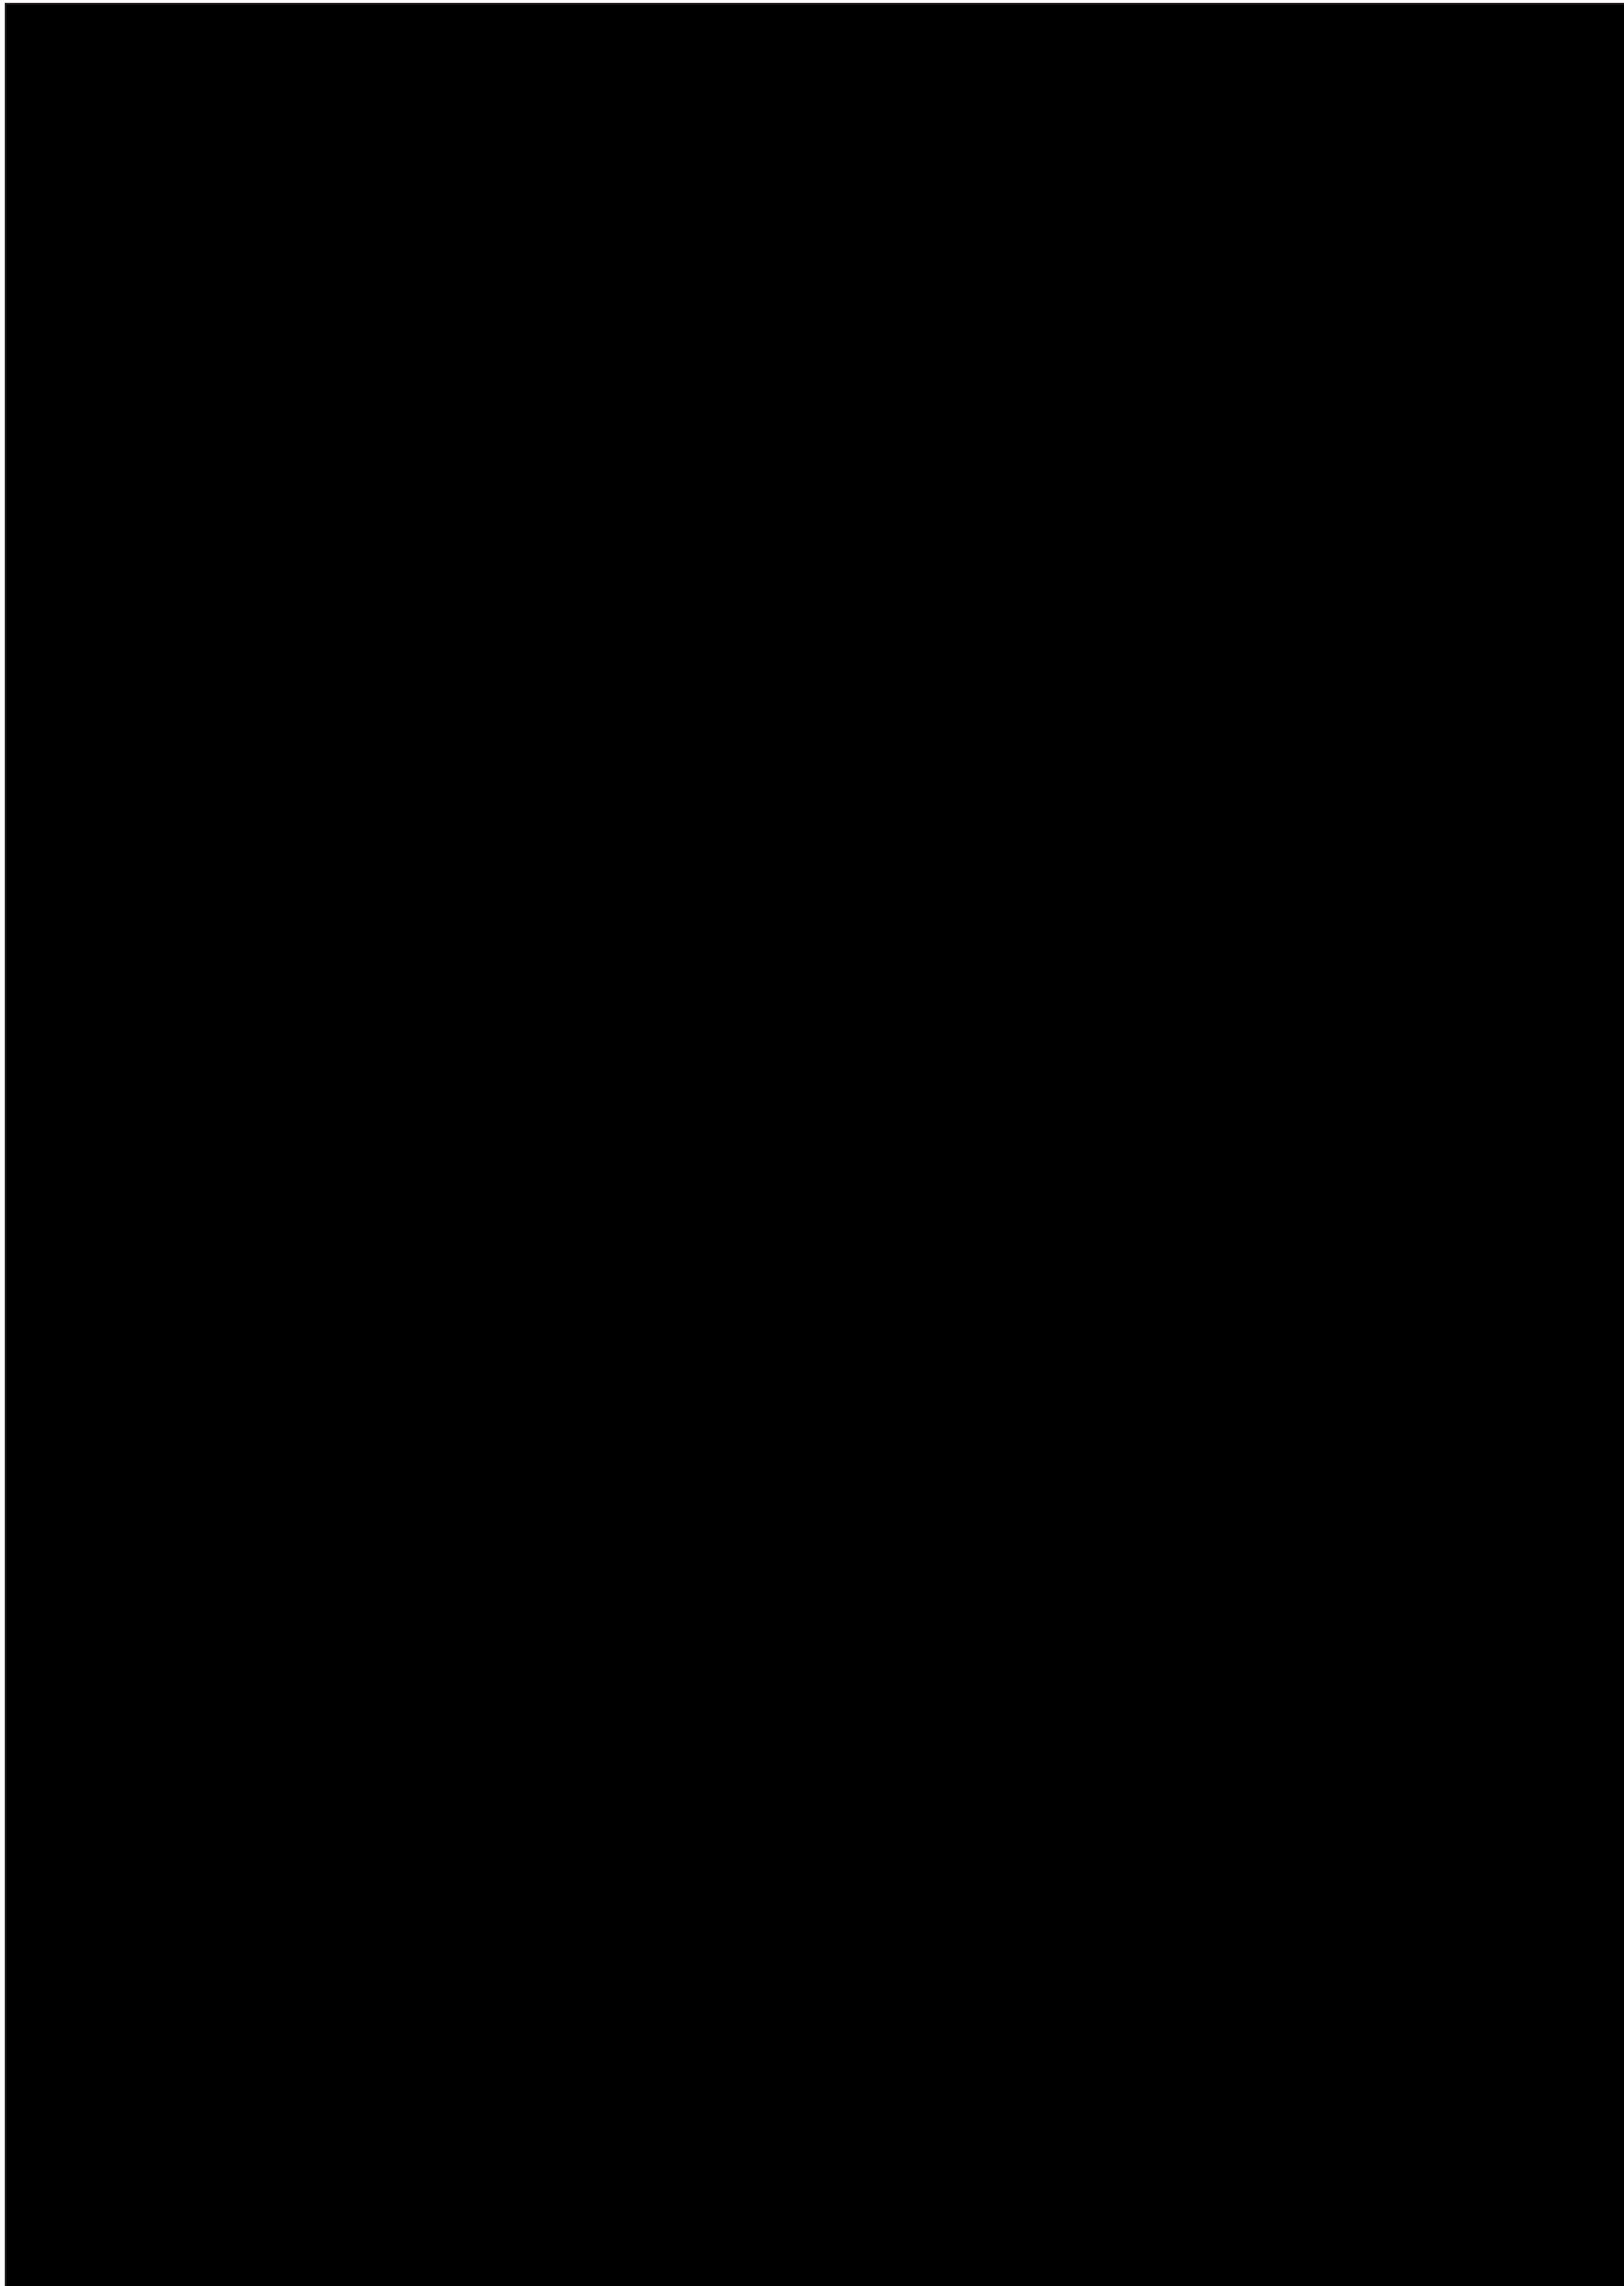

FROM HERE

EKEISE

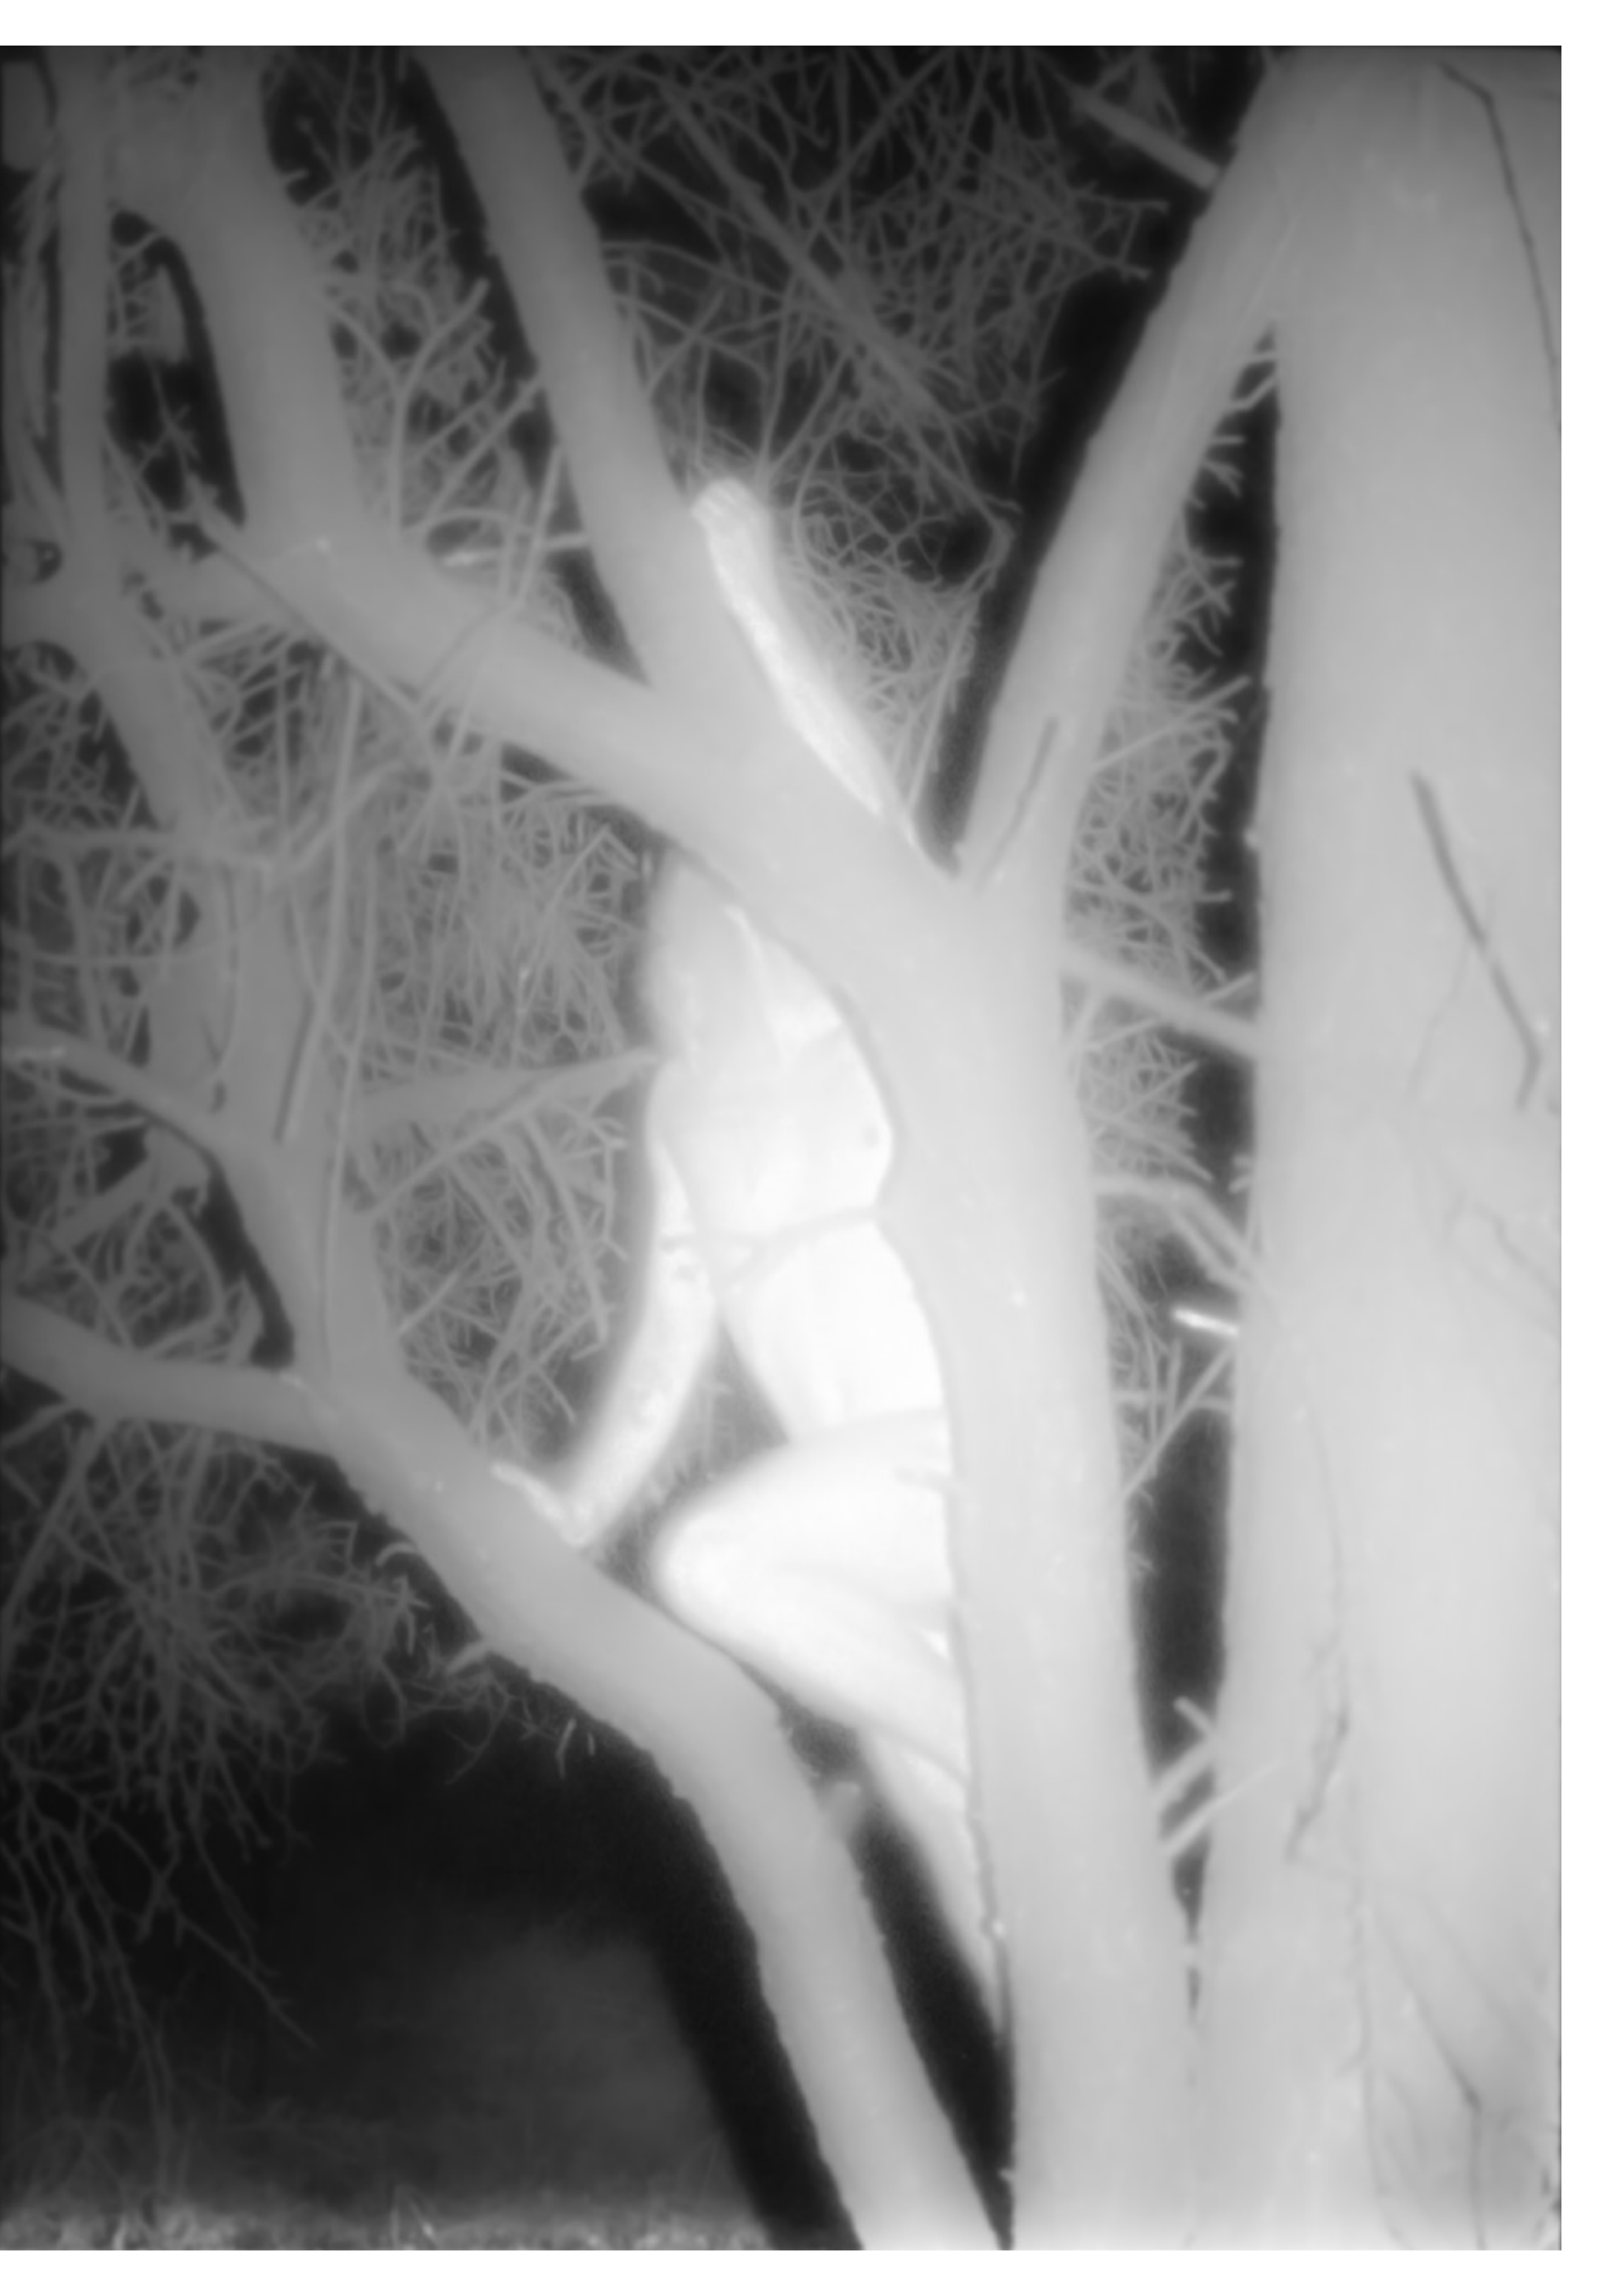

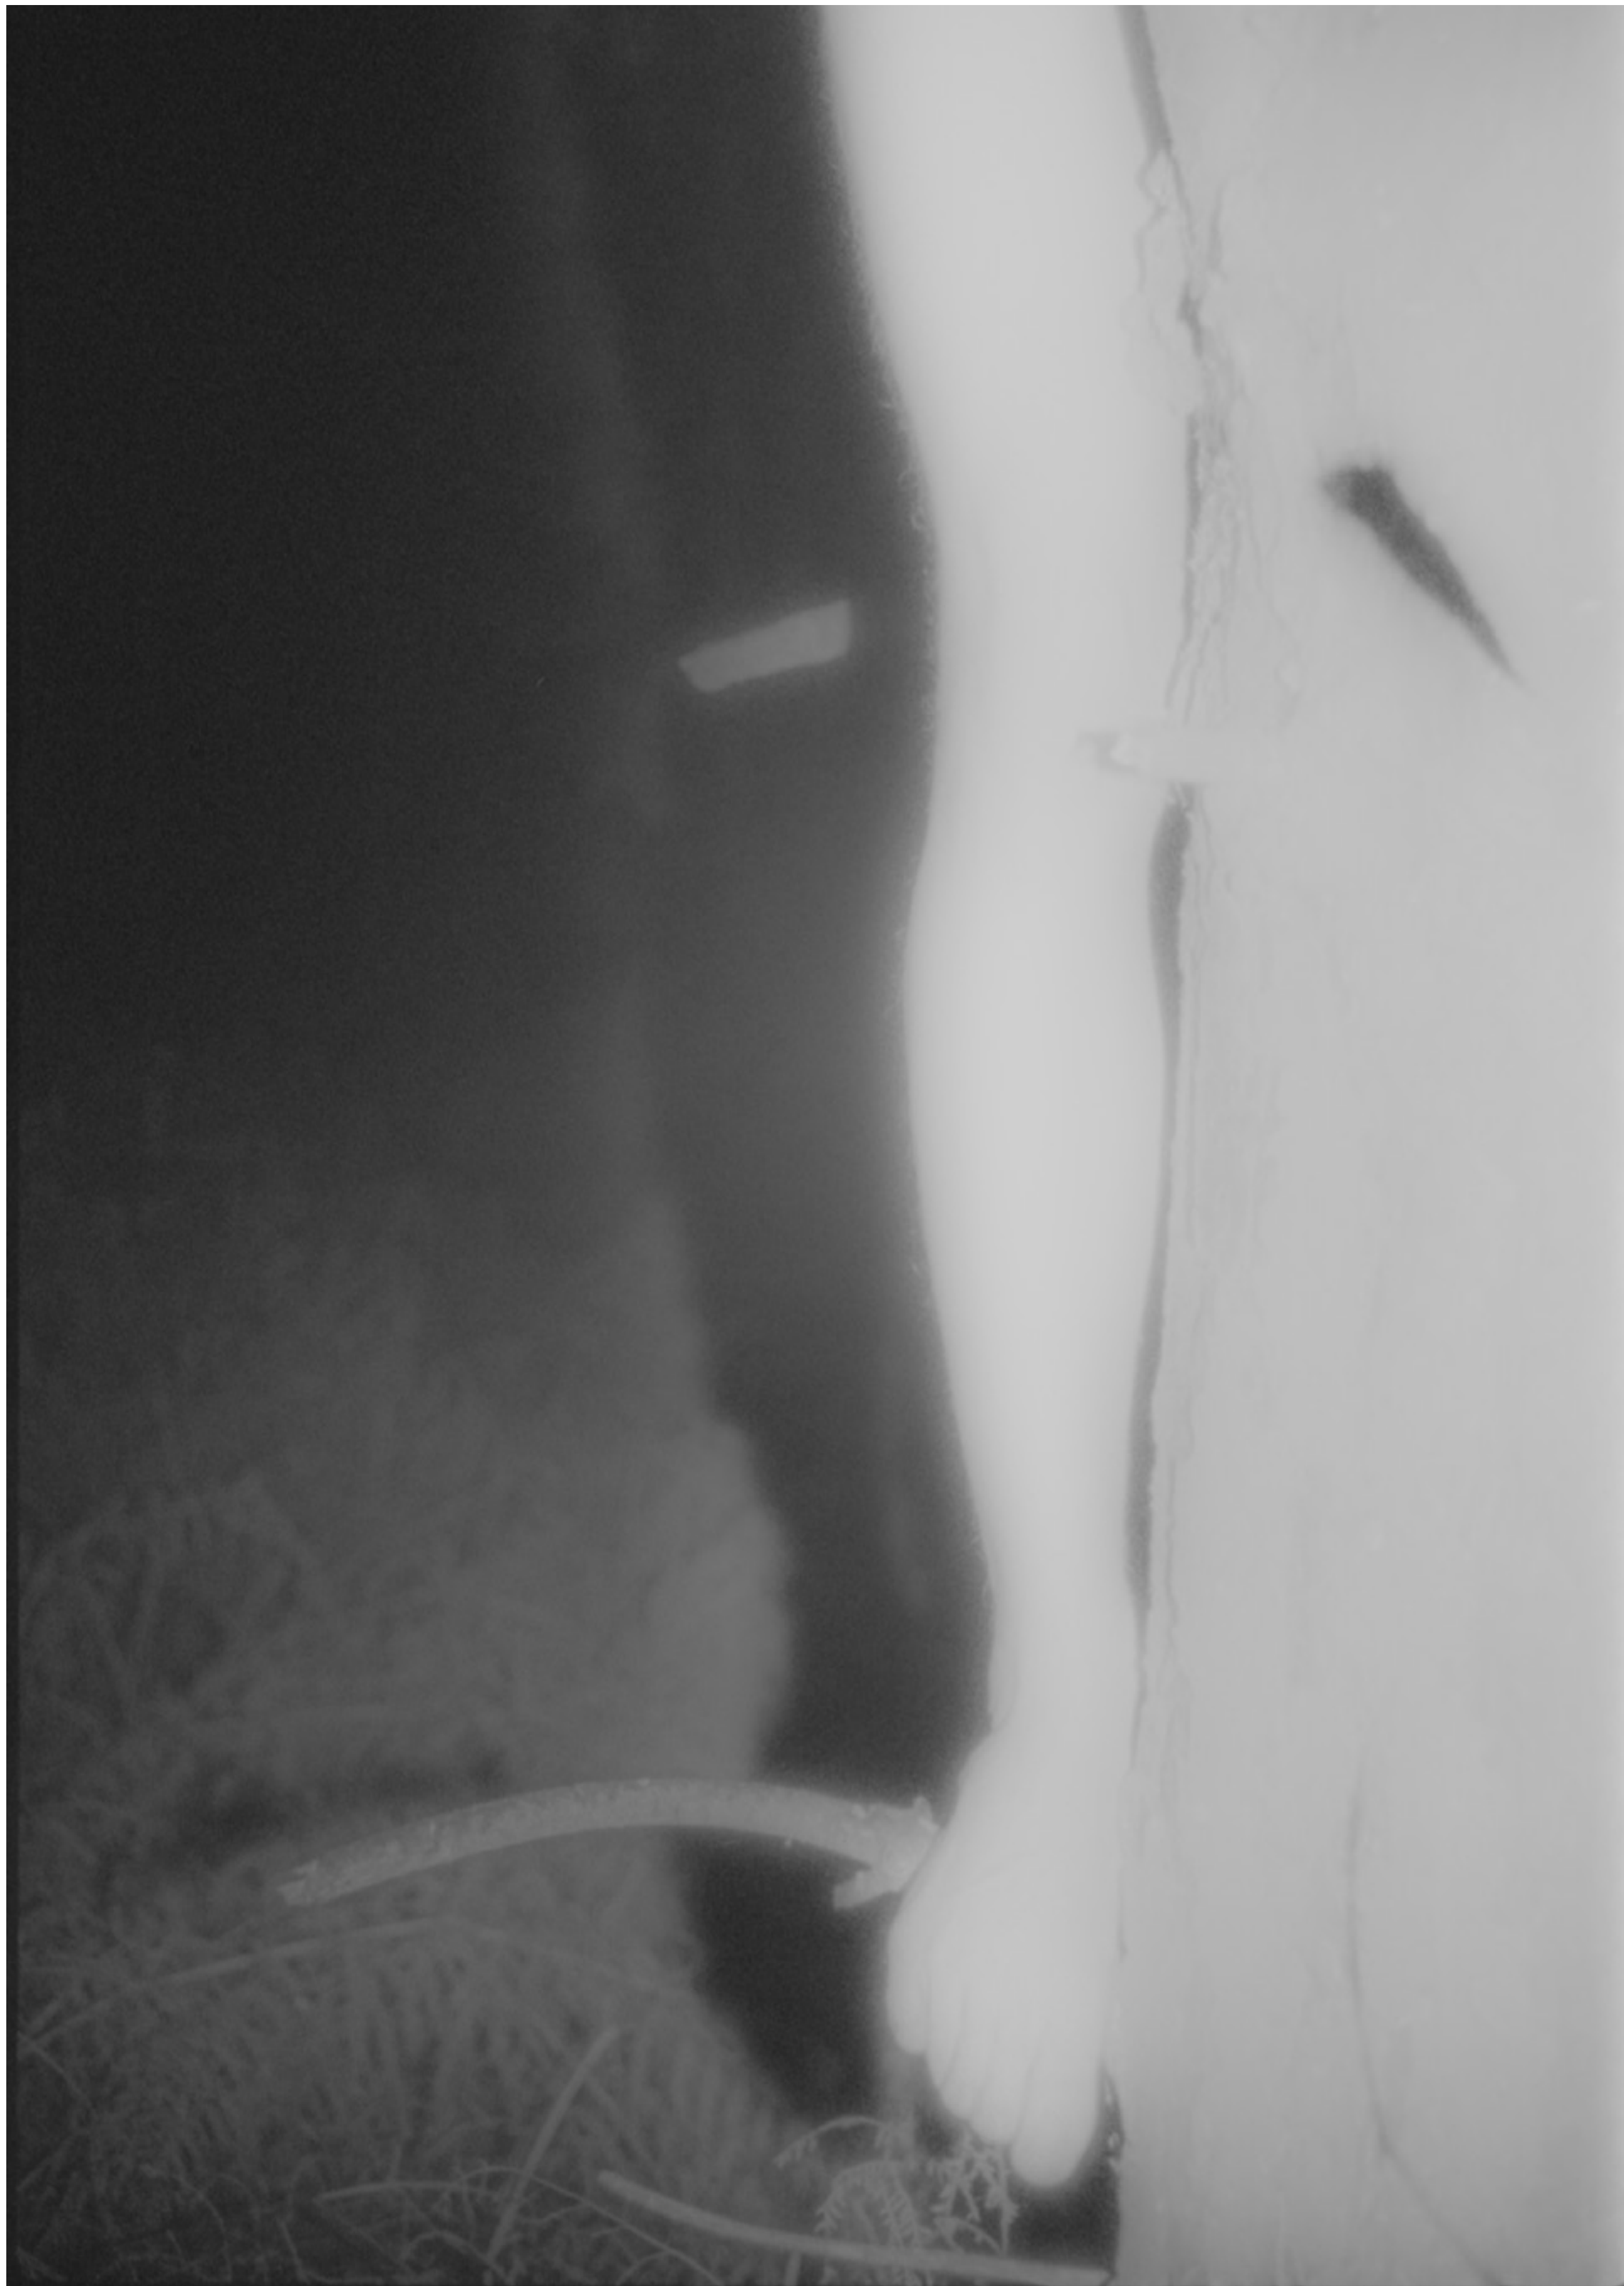

TO THERE

ENTHENDE

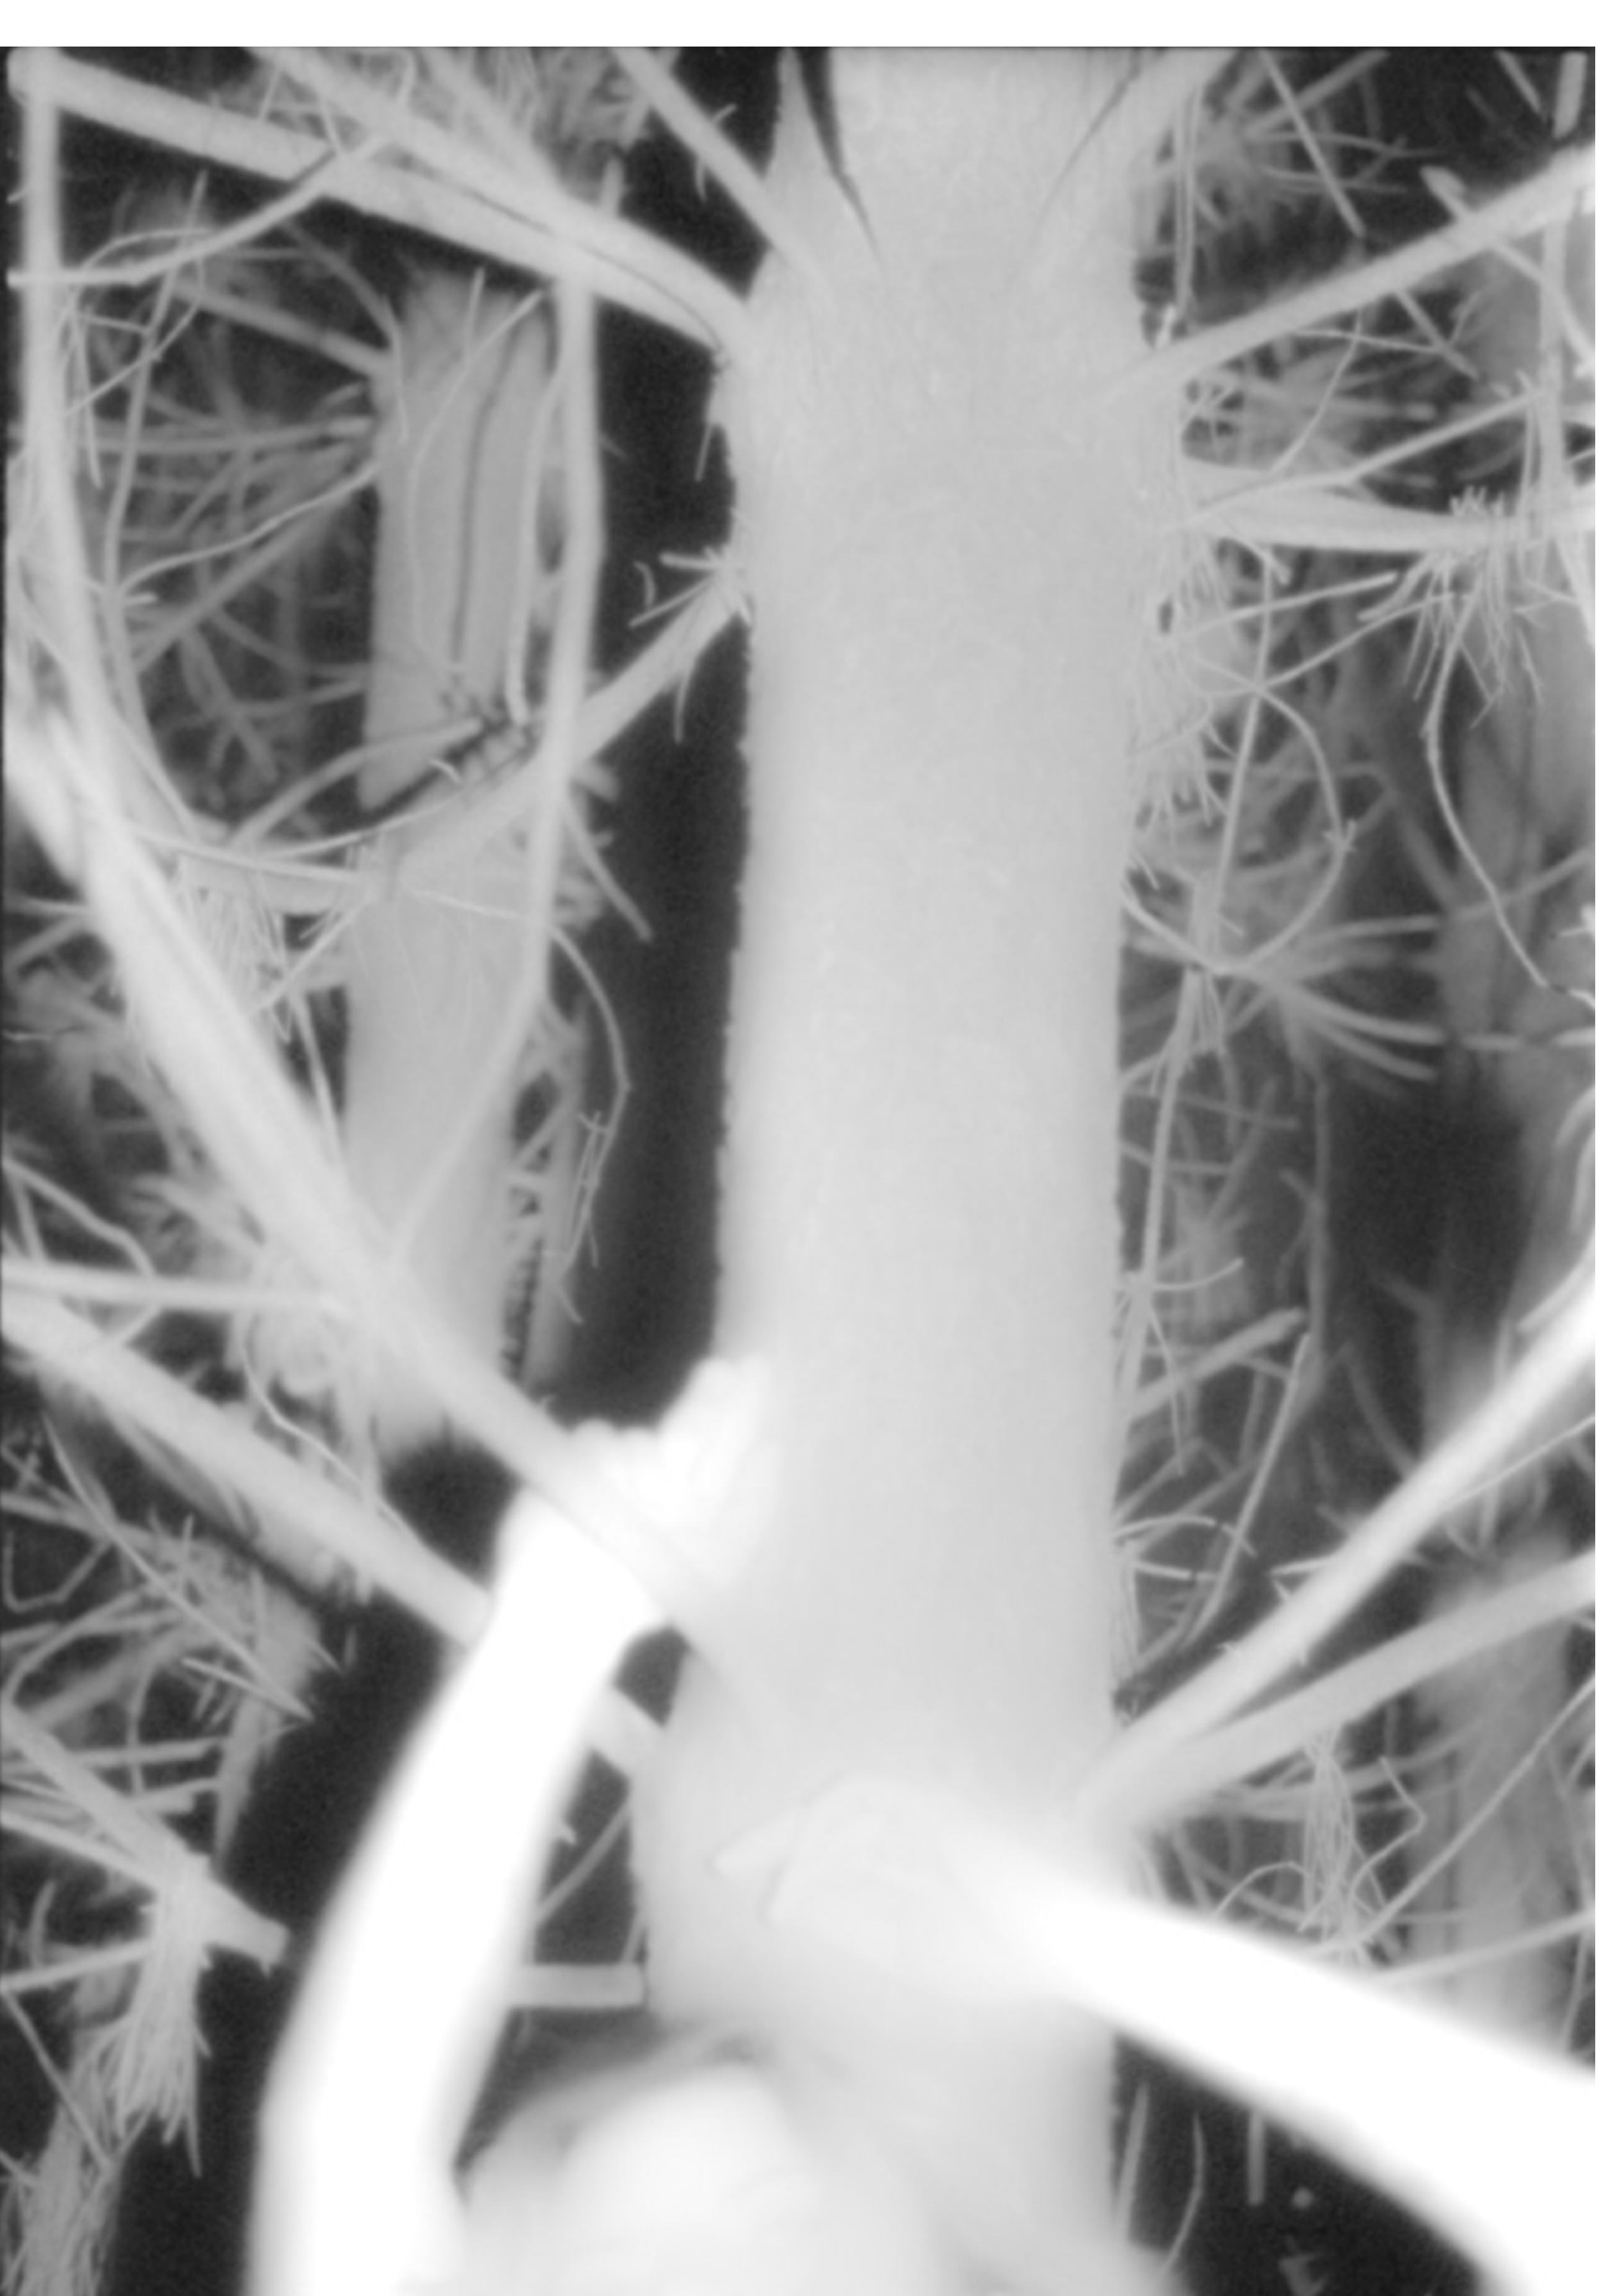

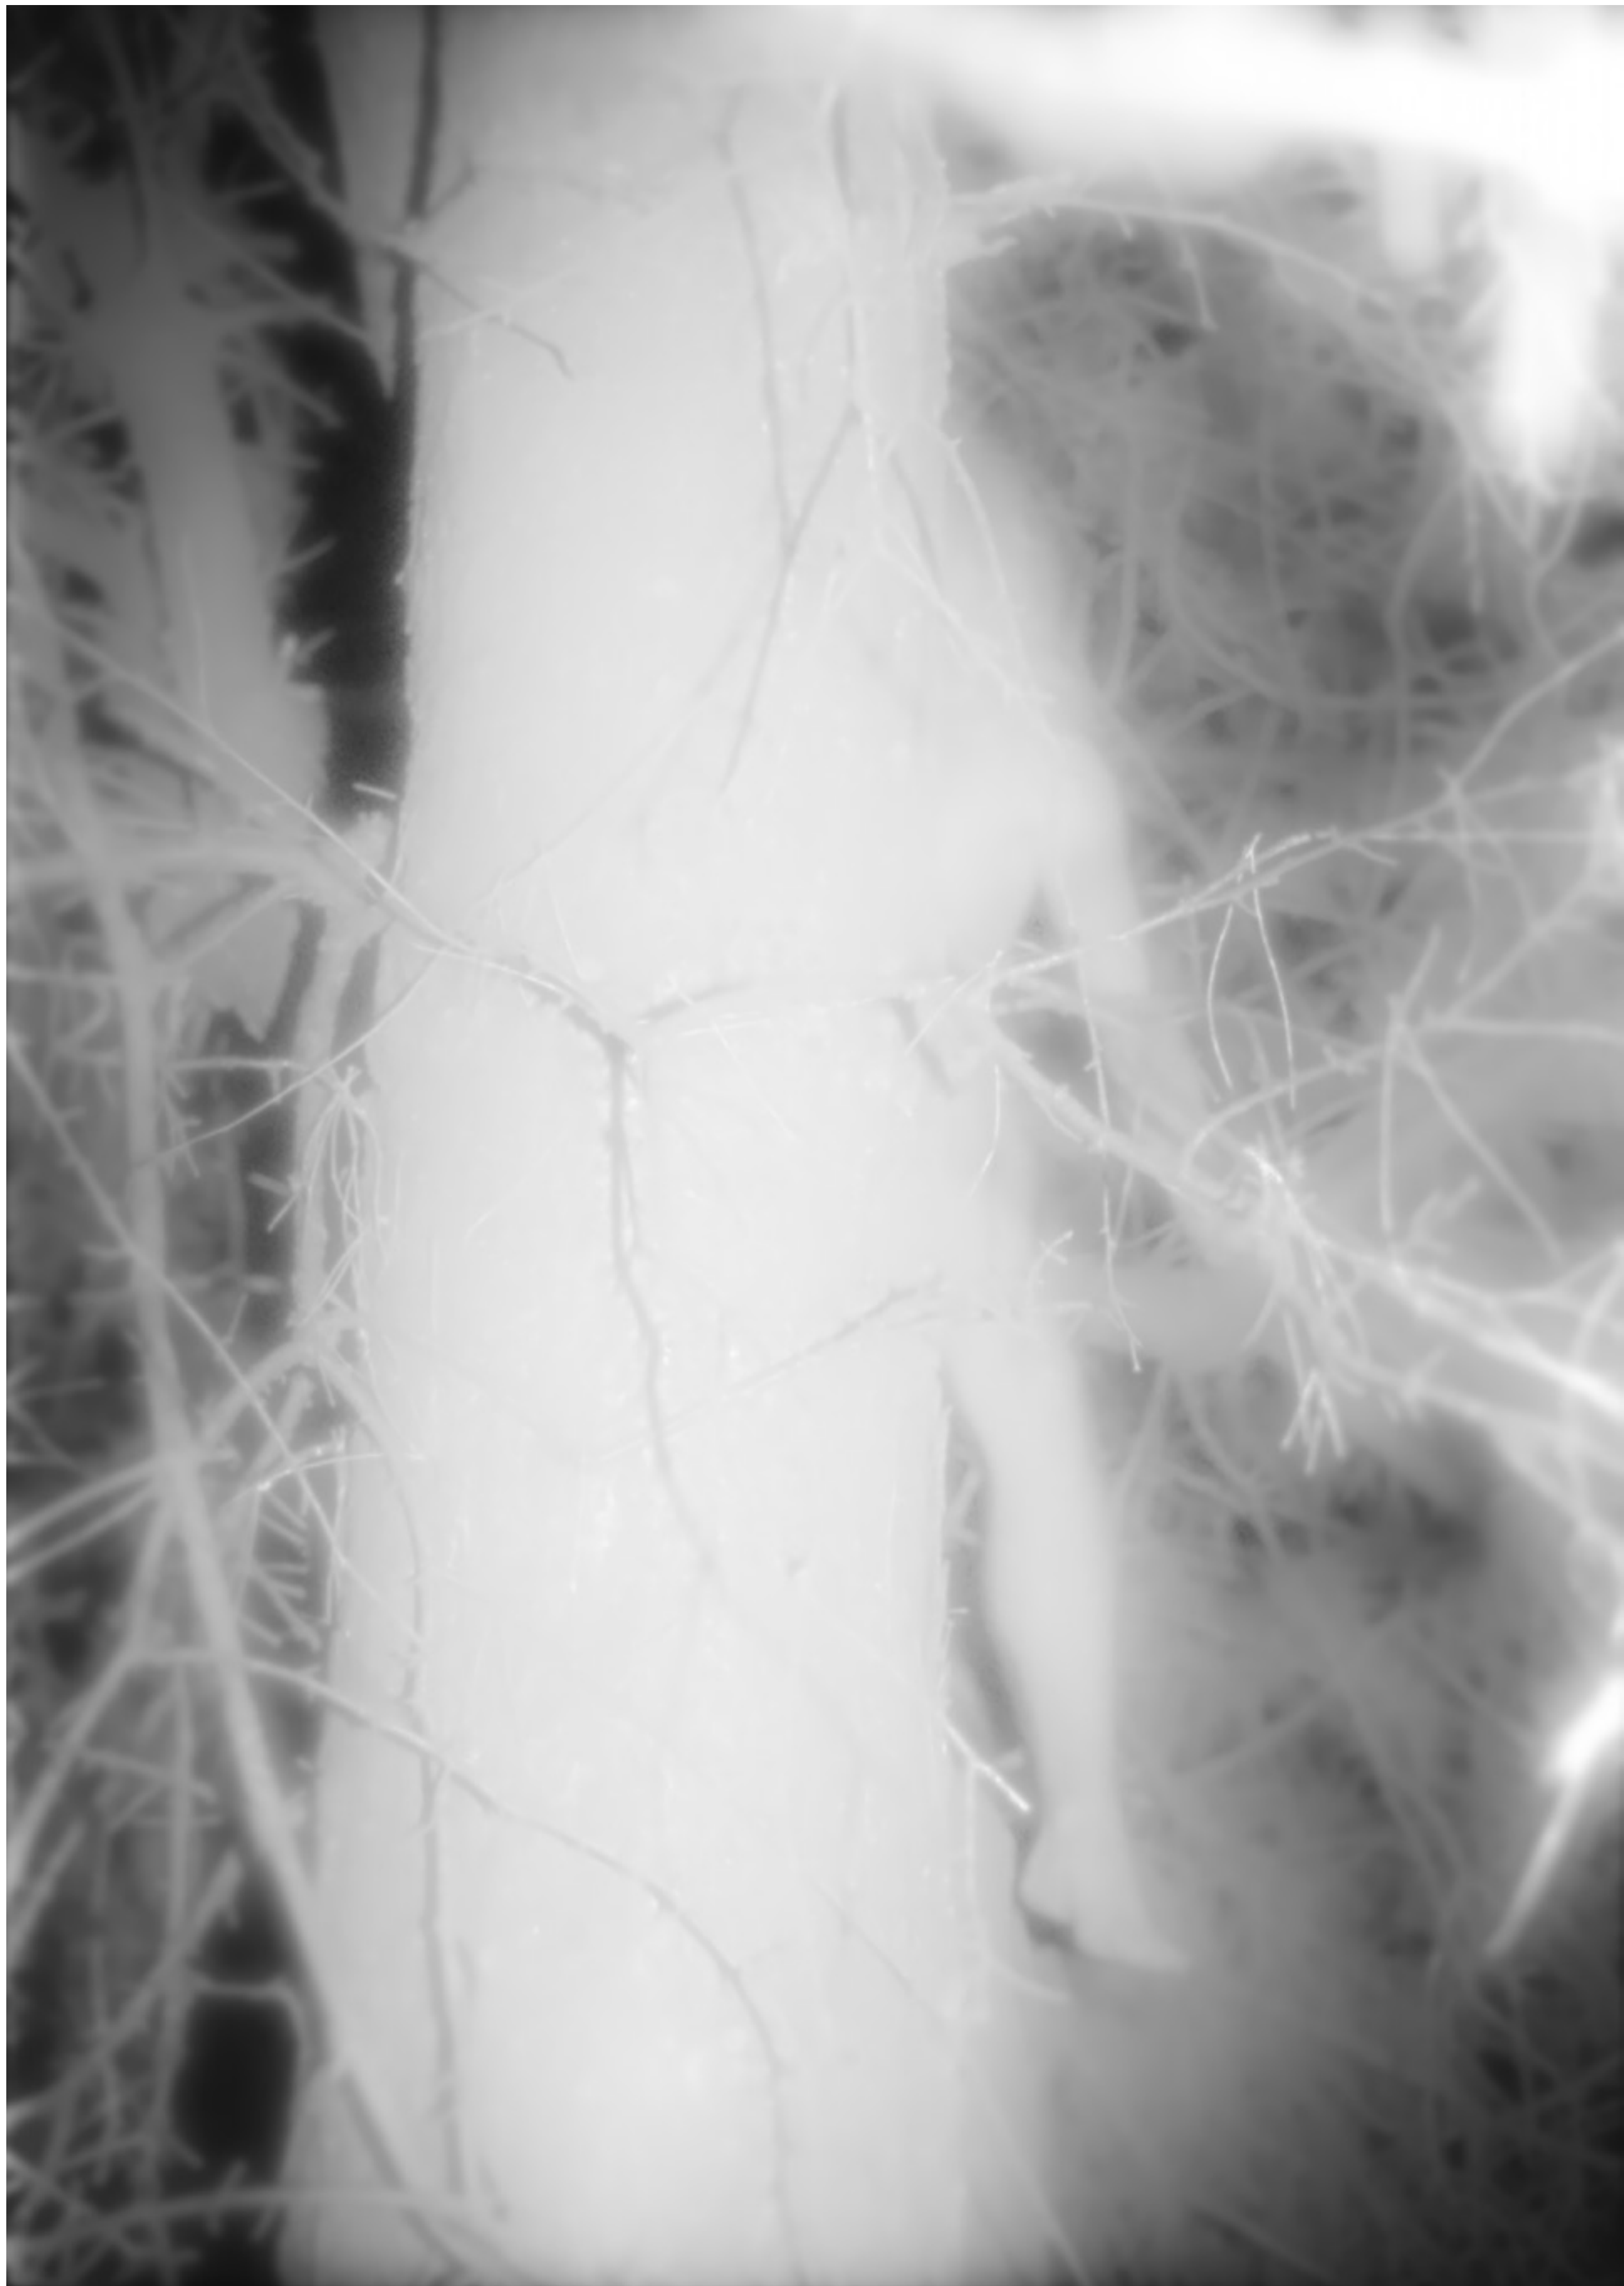

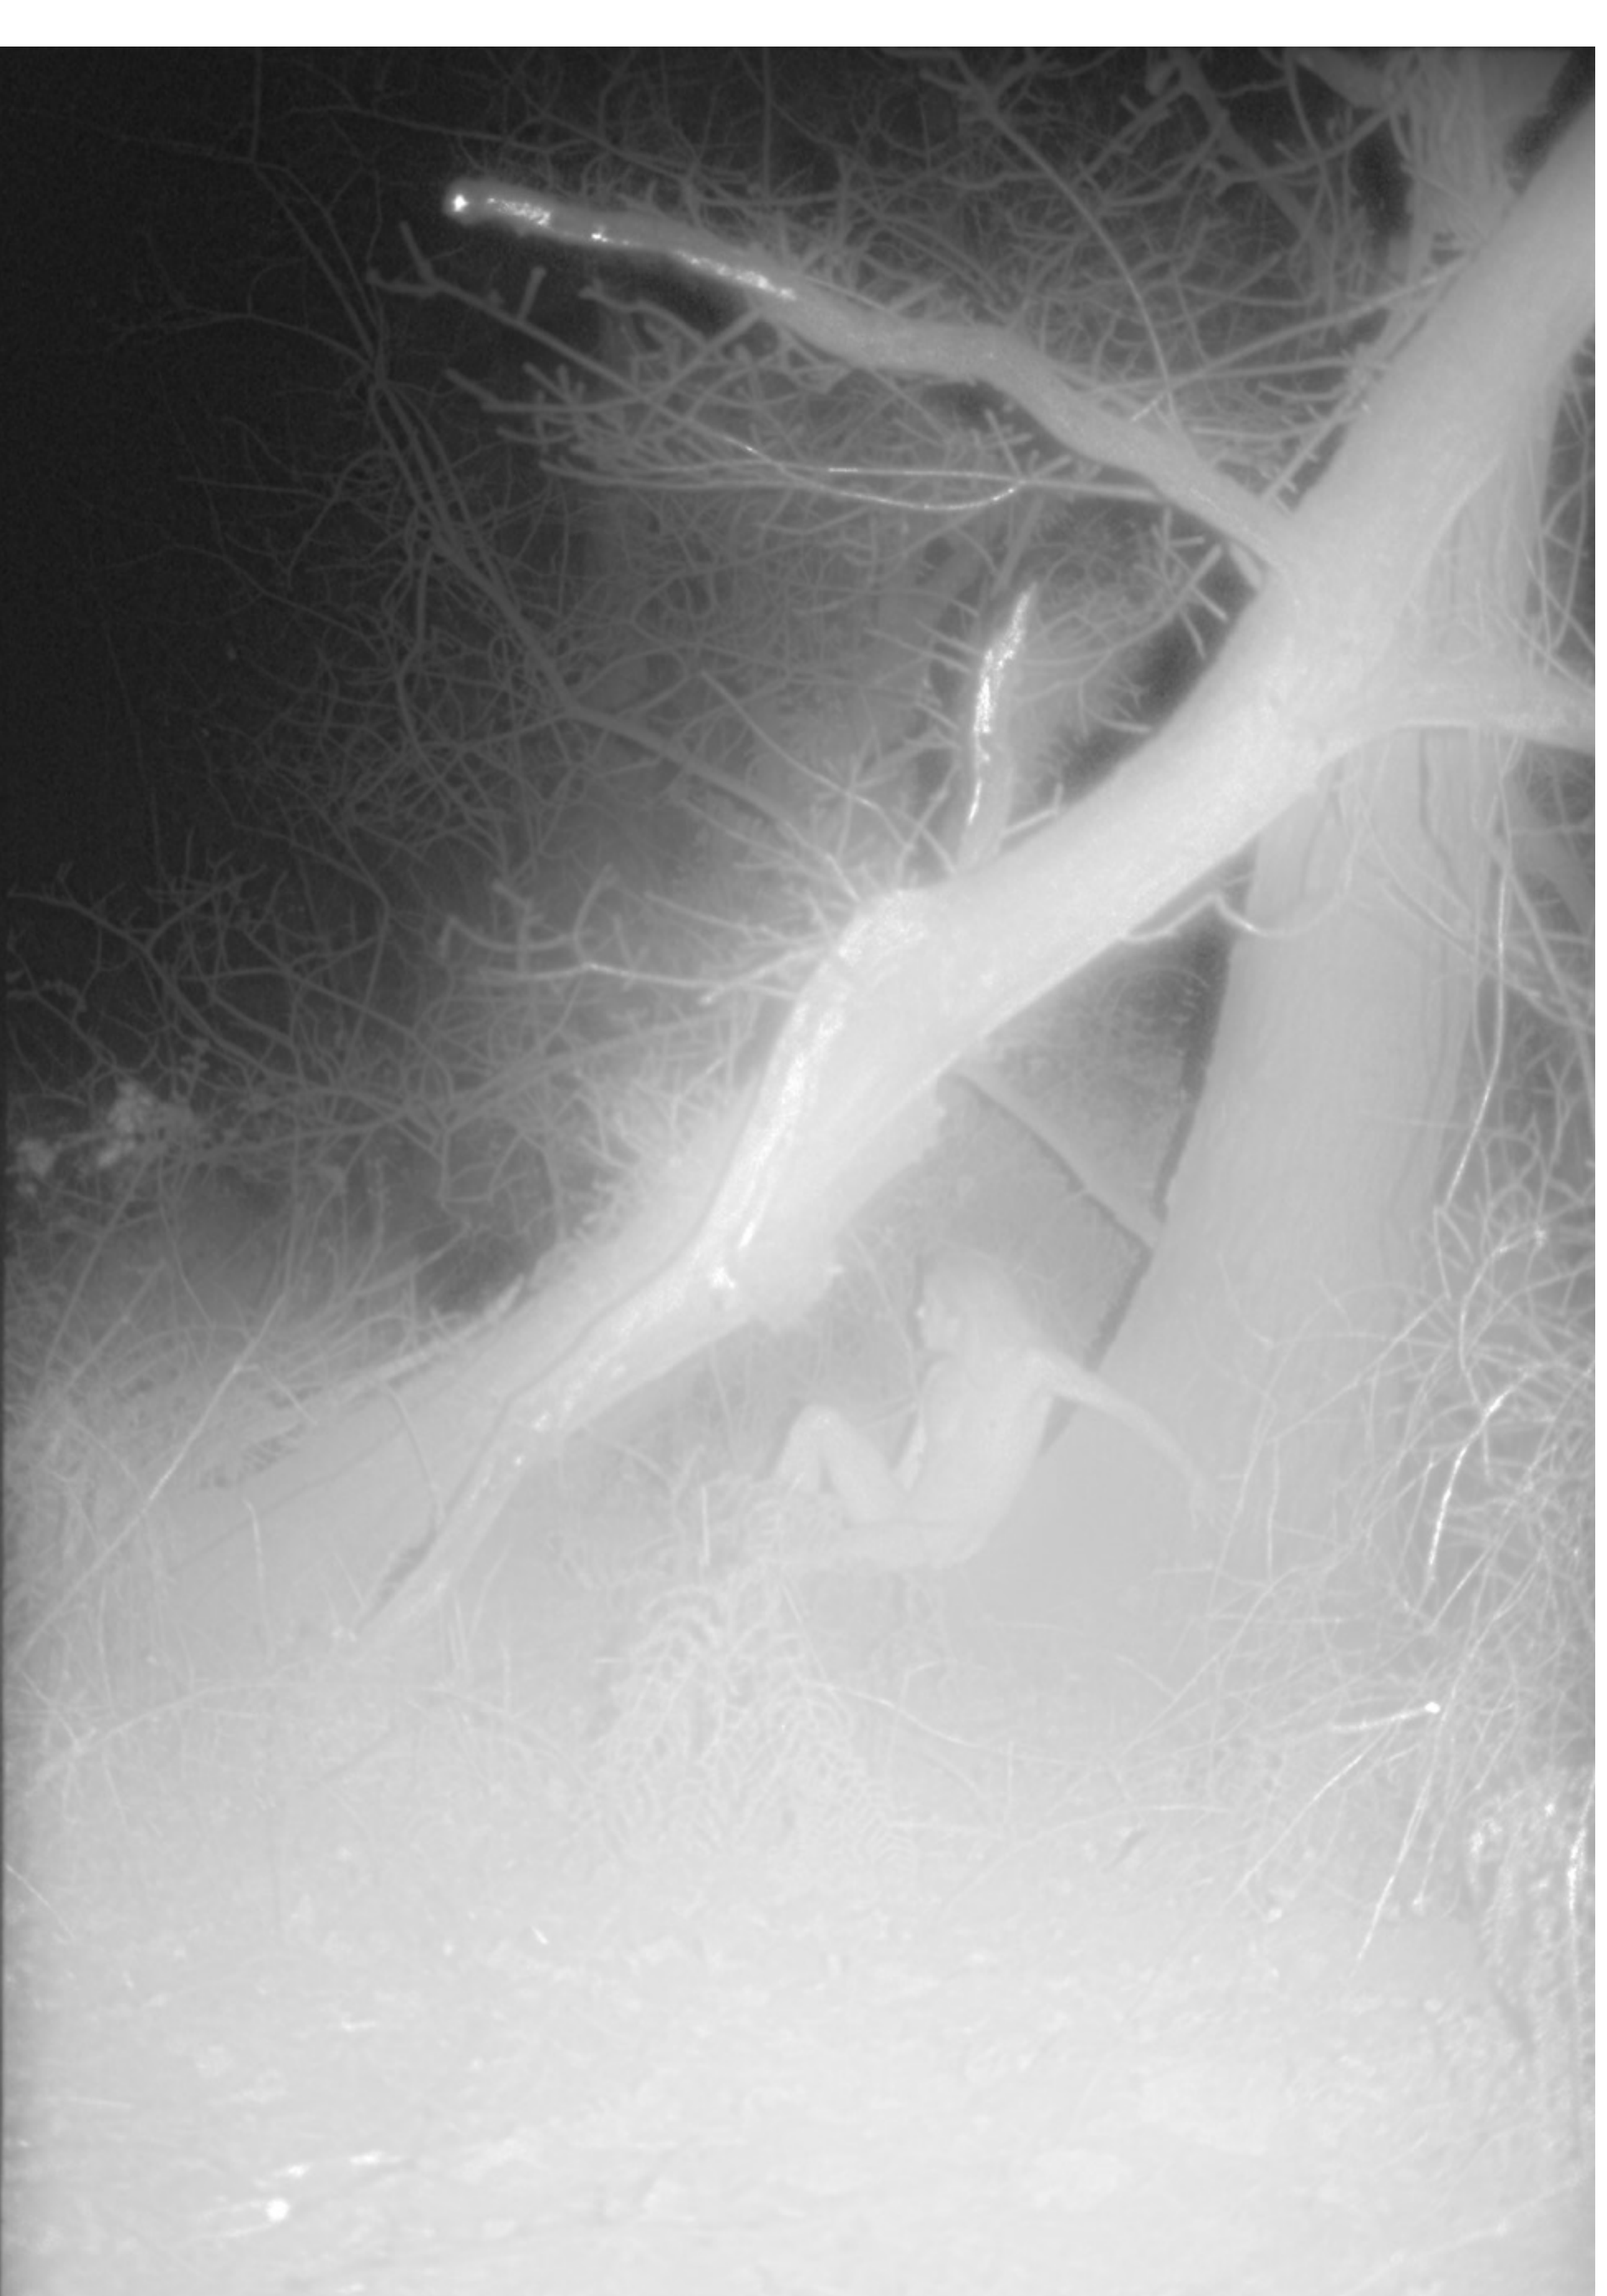

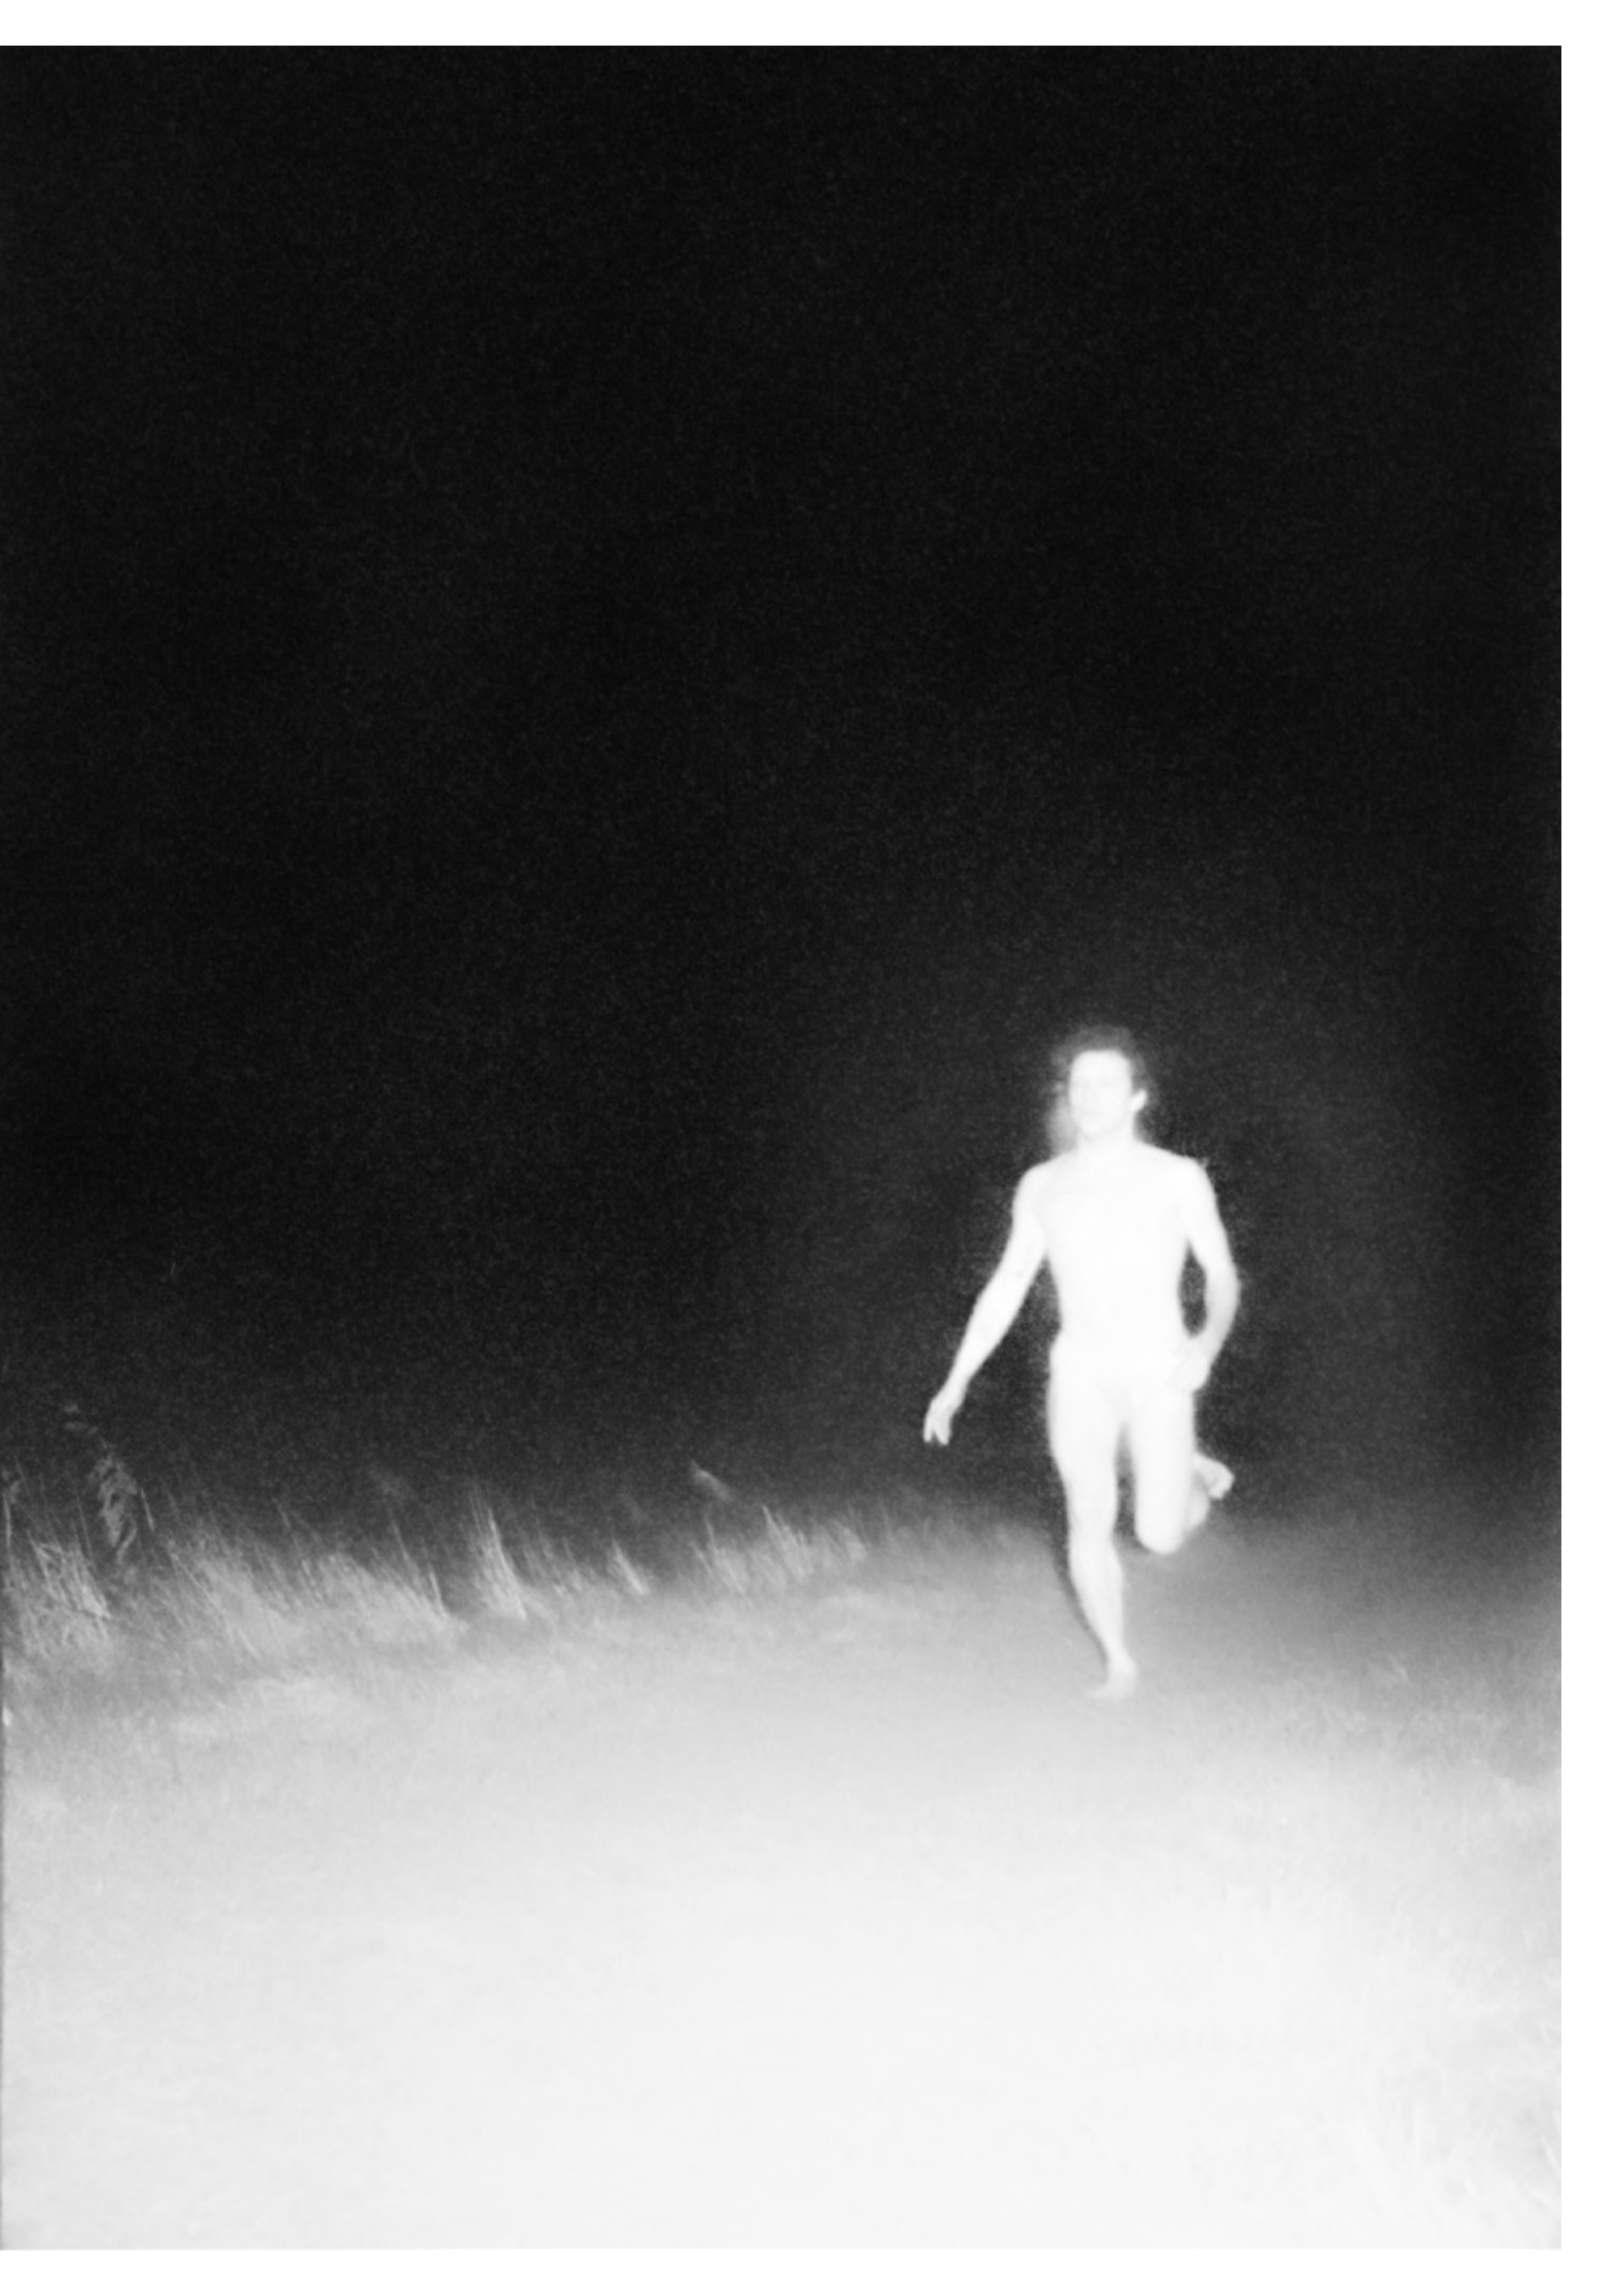

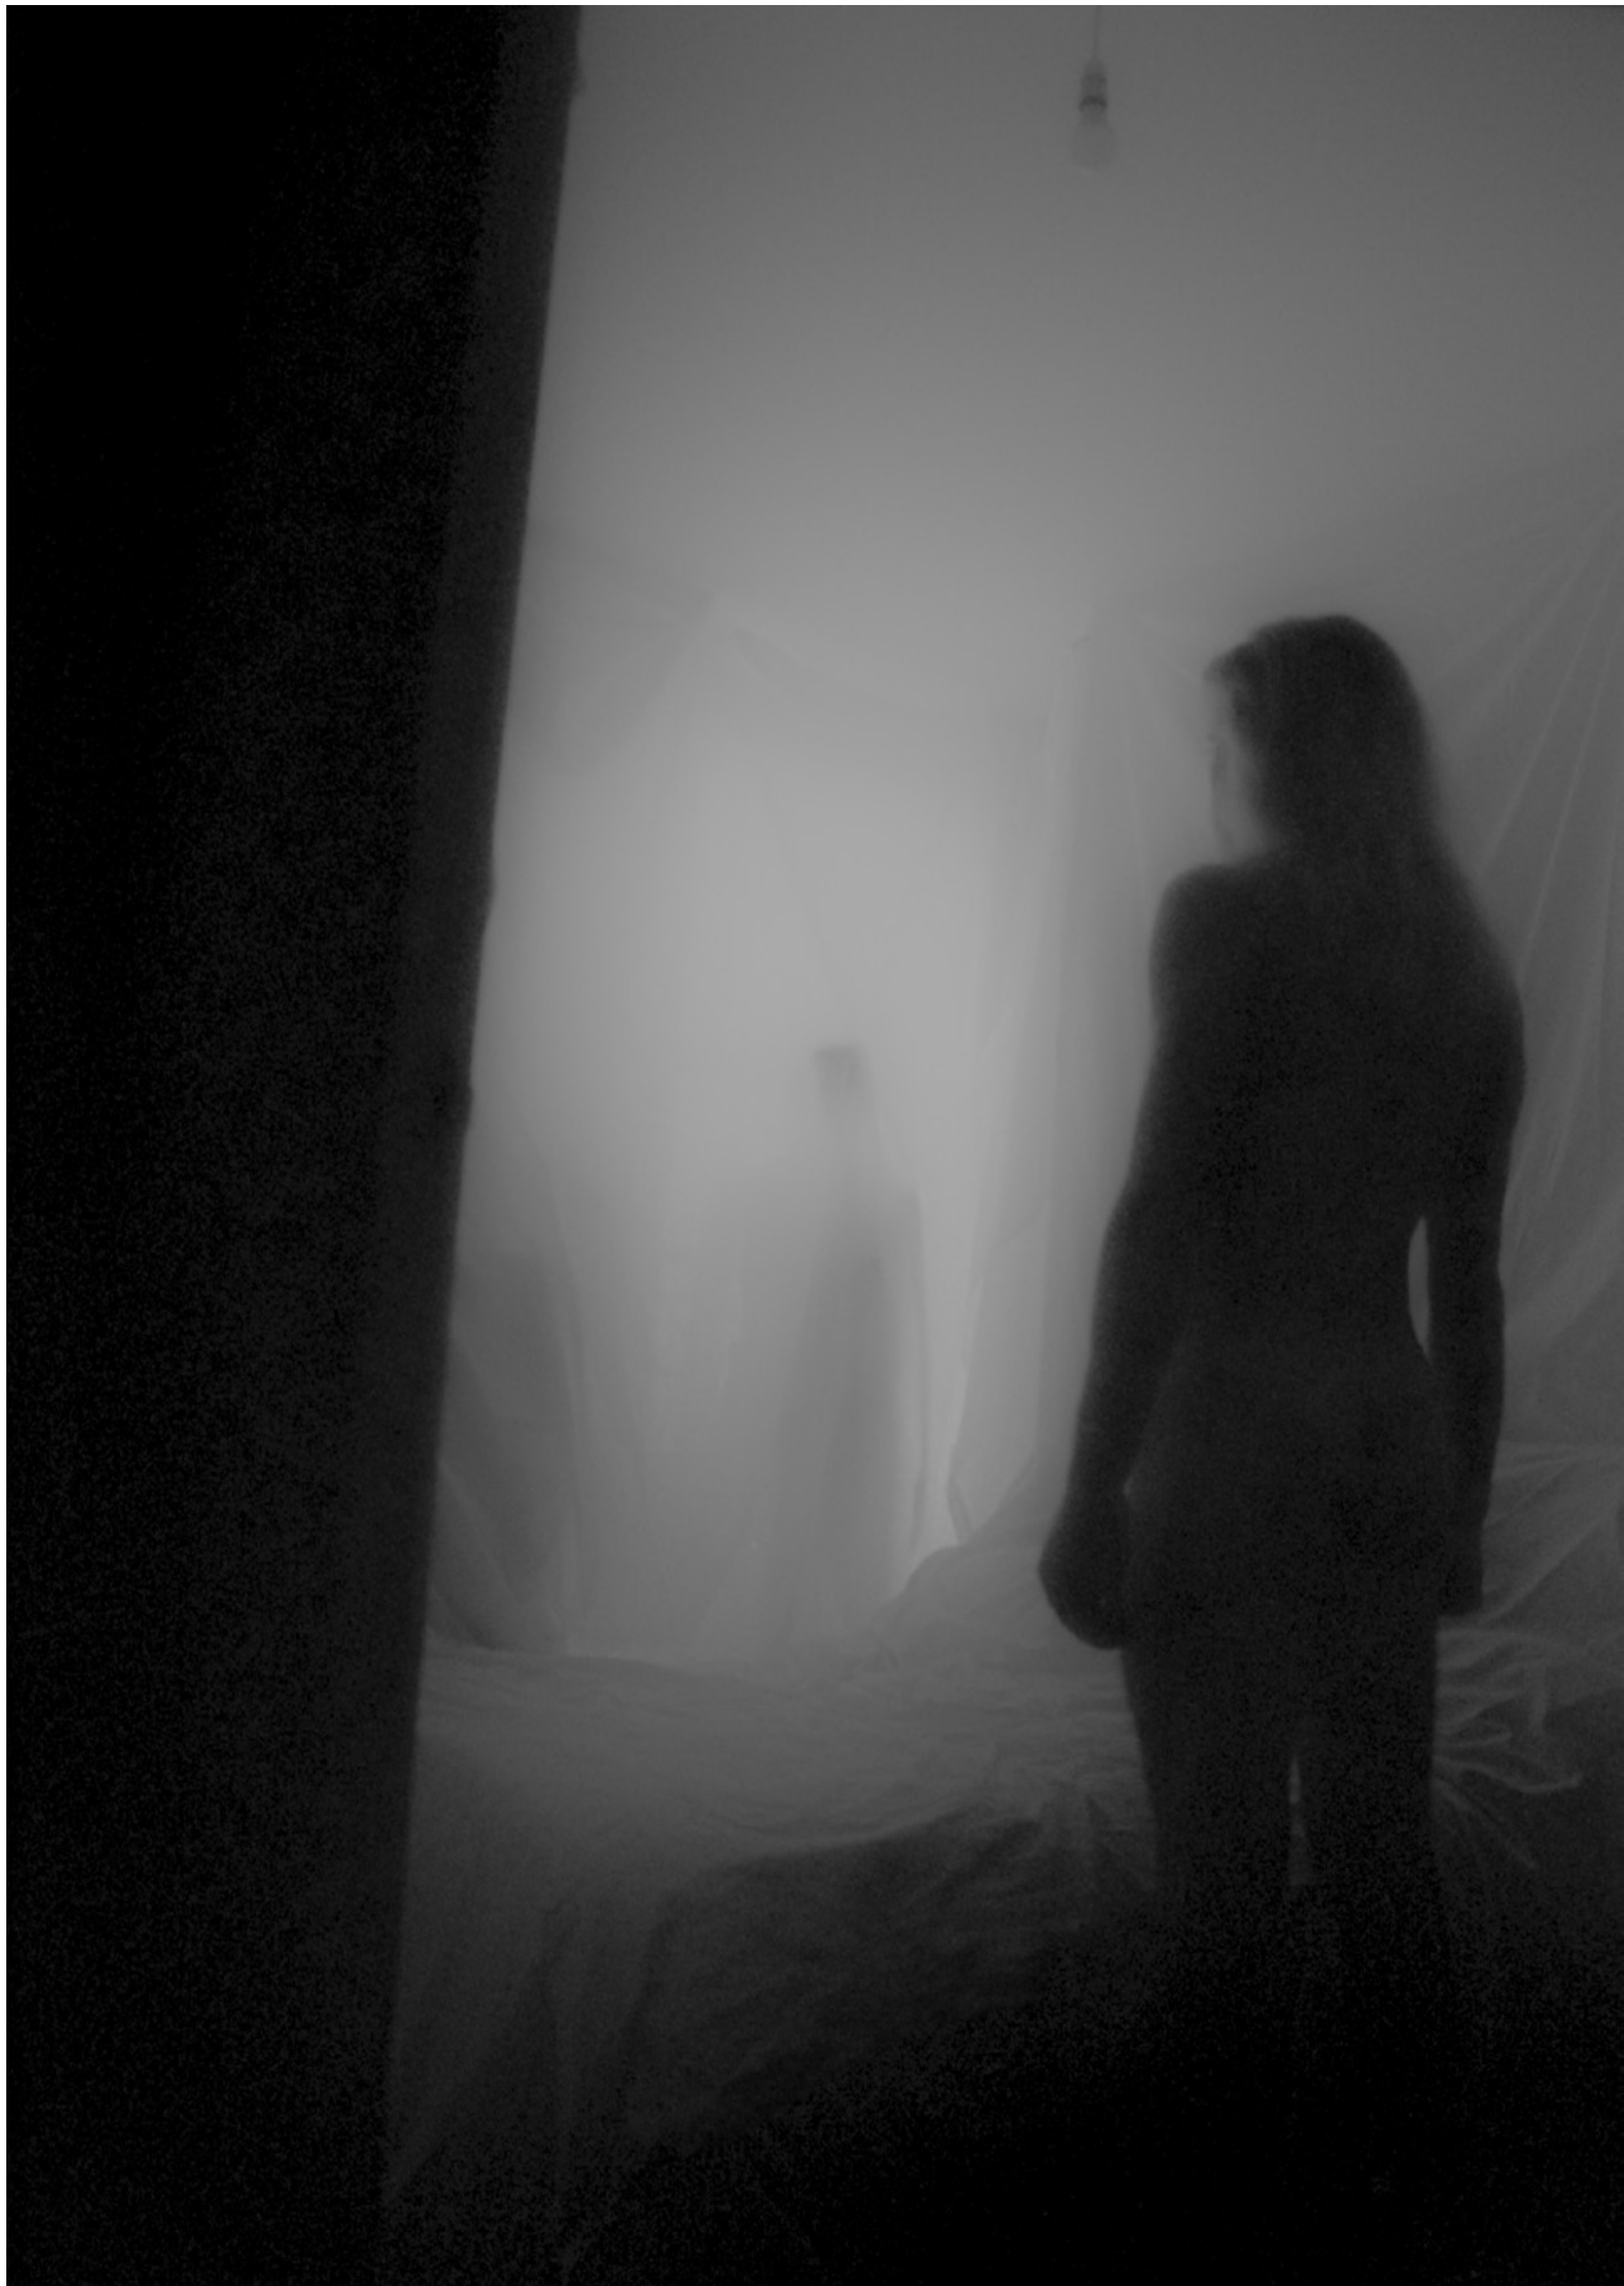

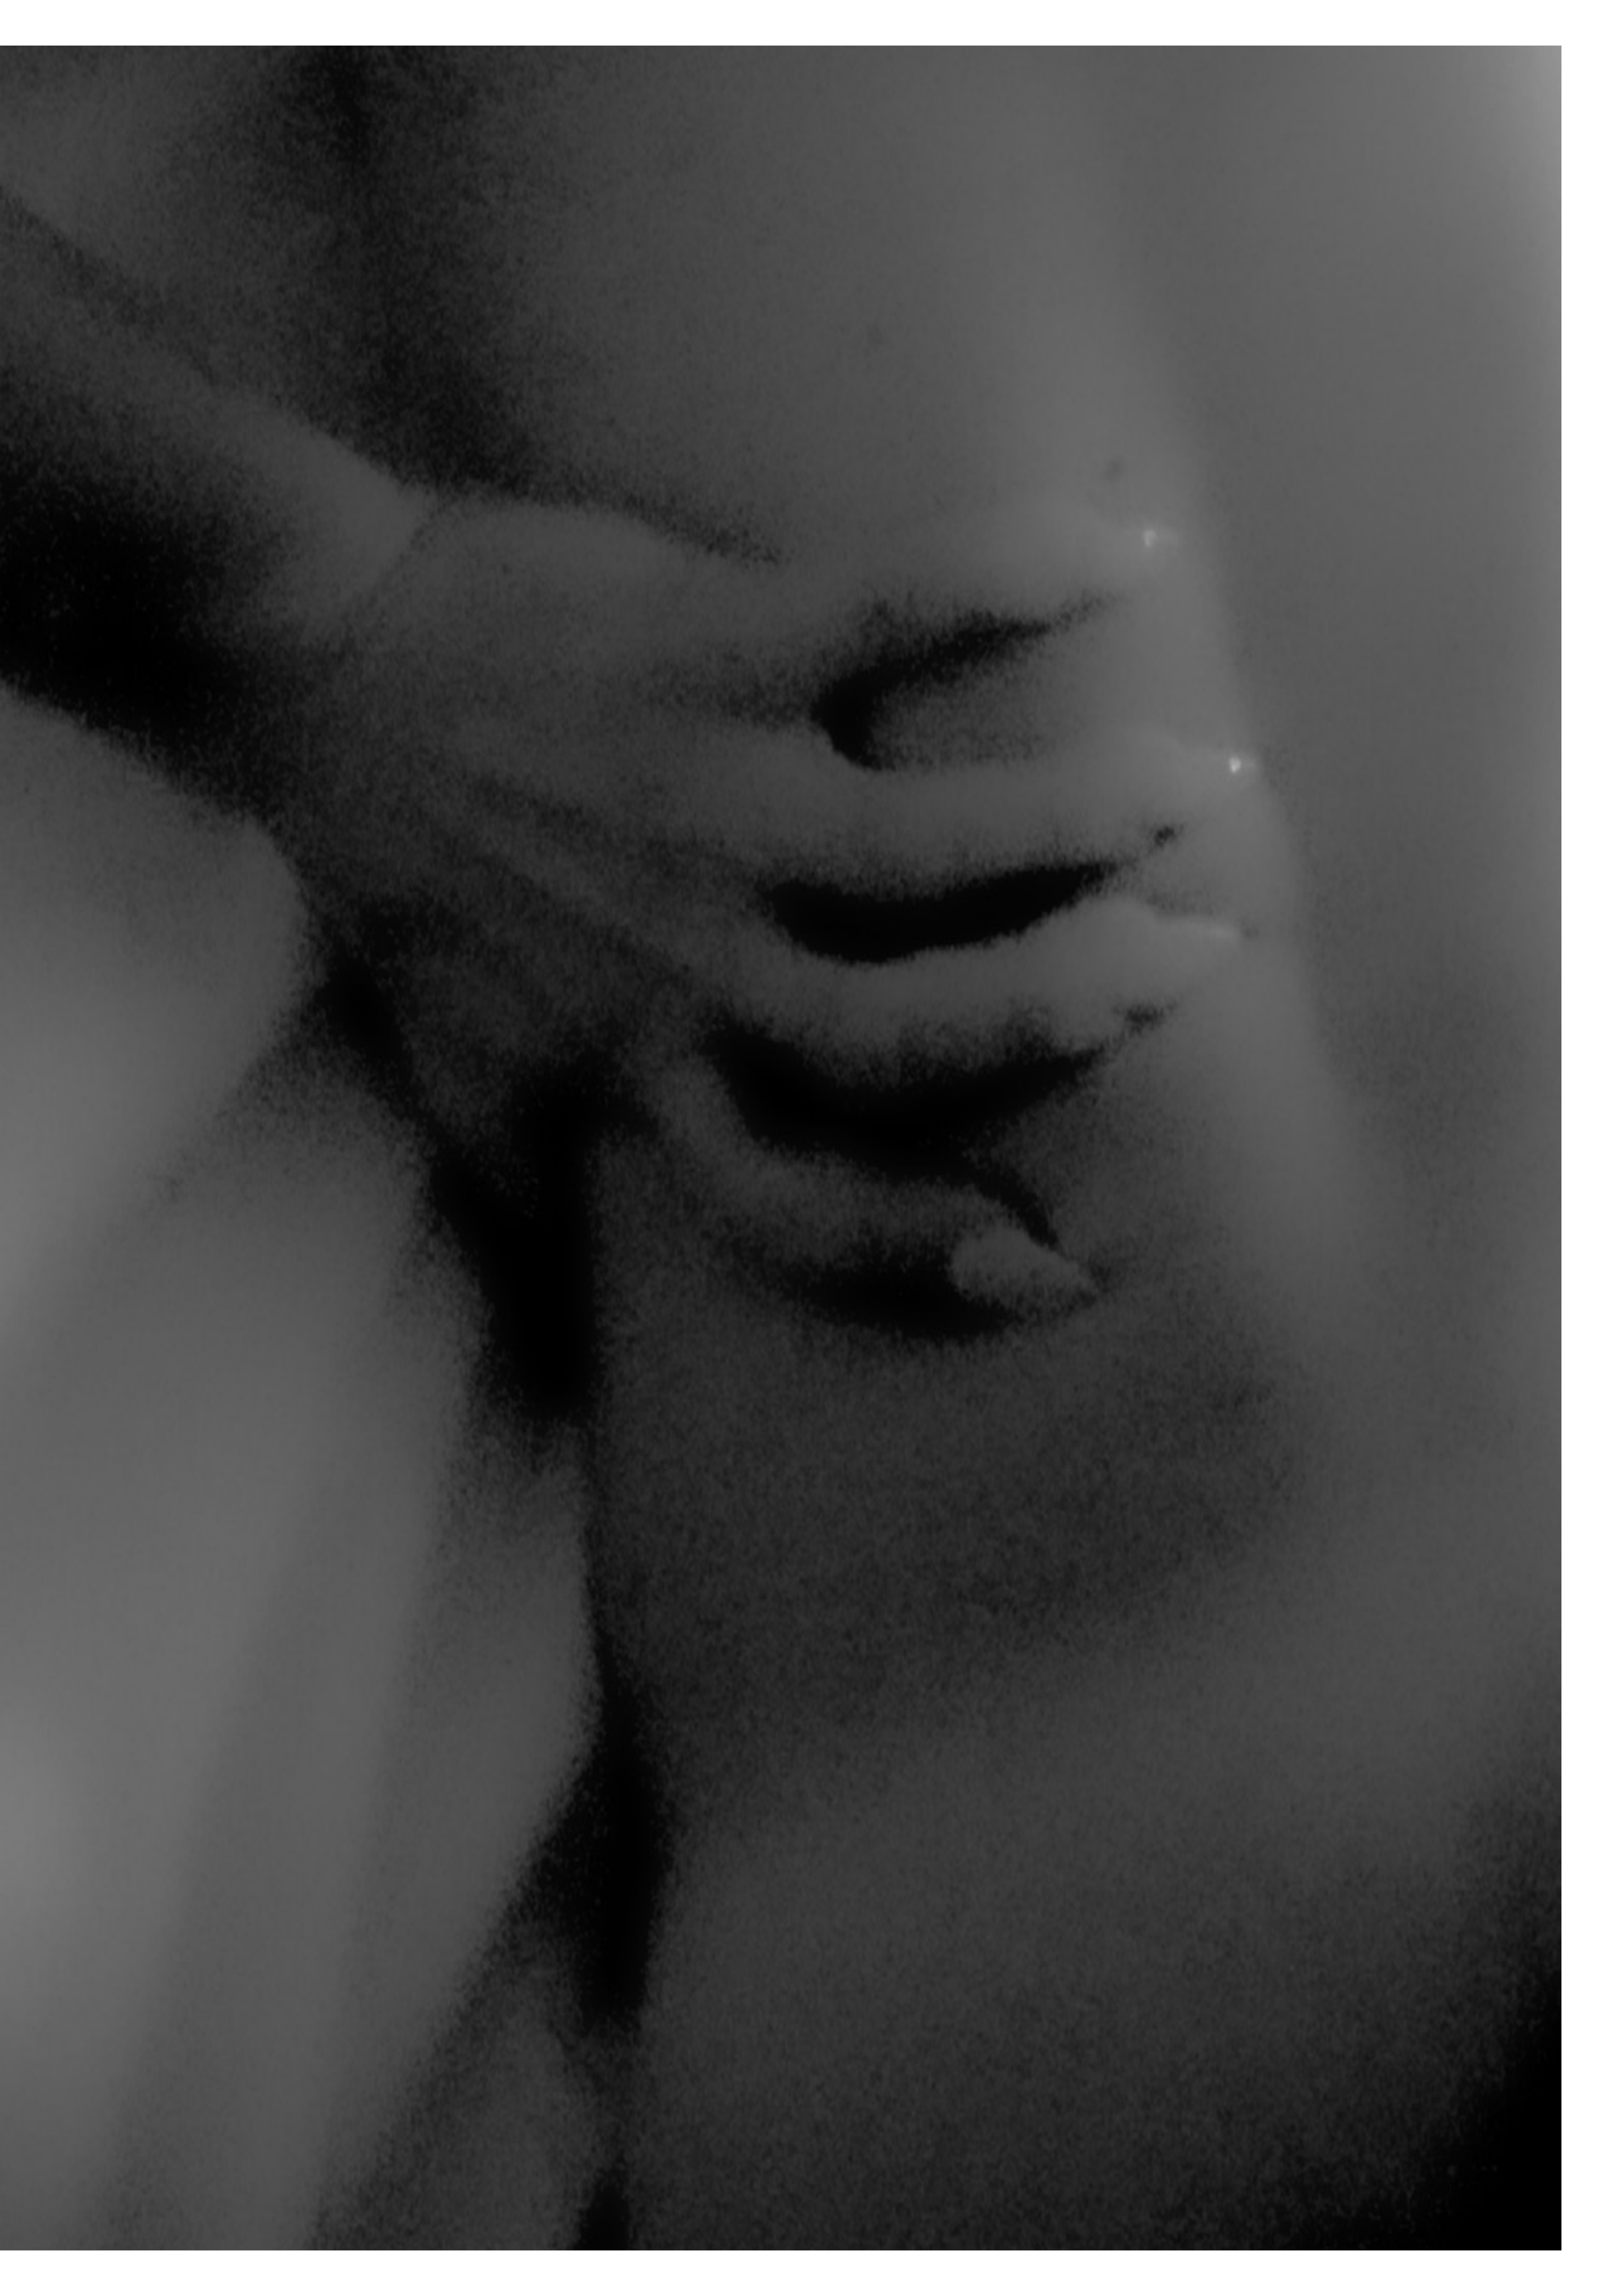

EKEISE

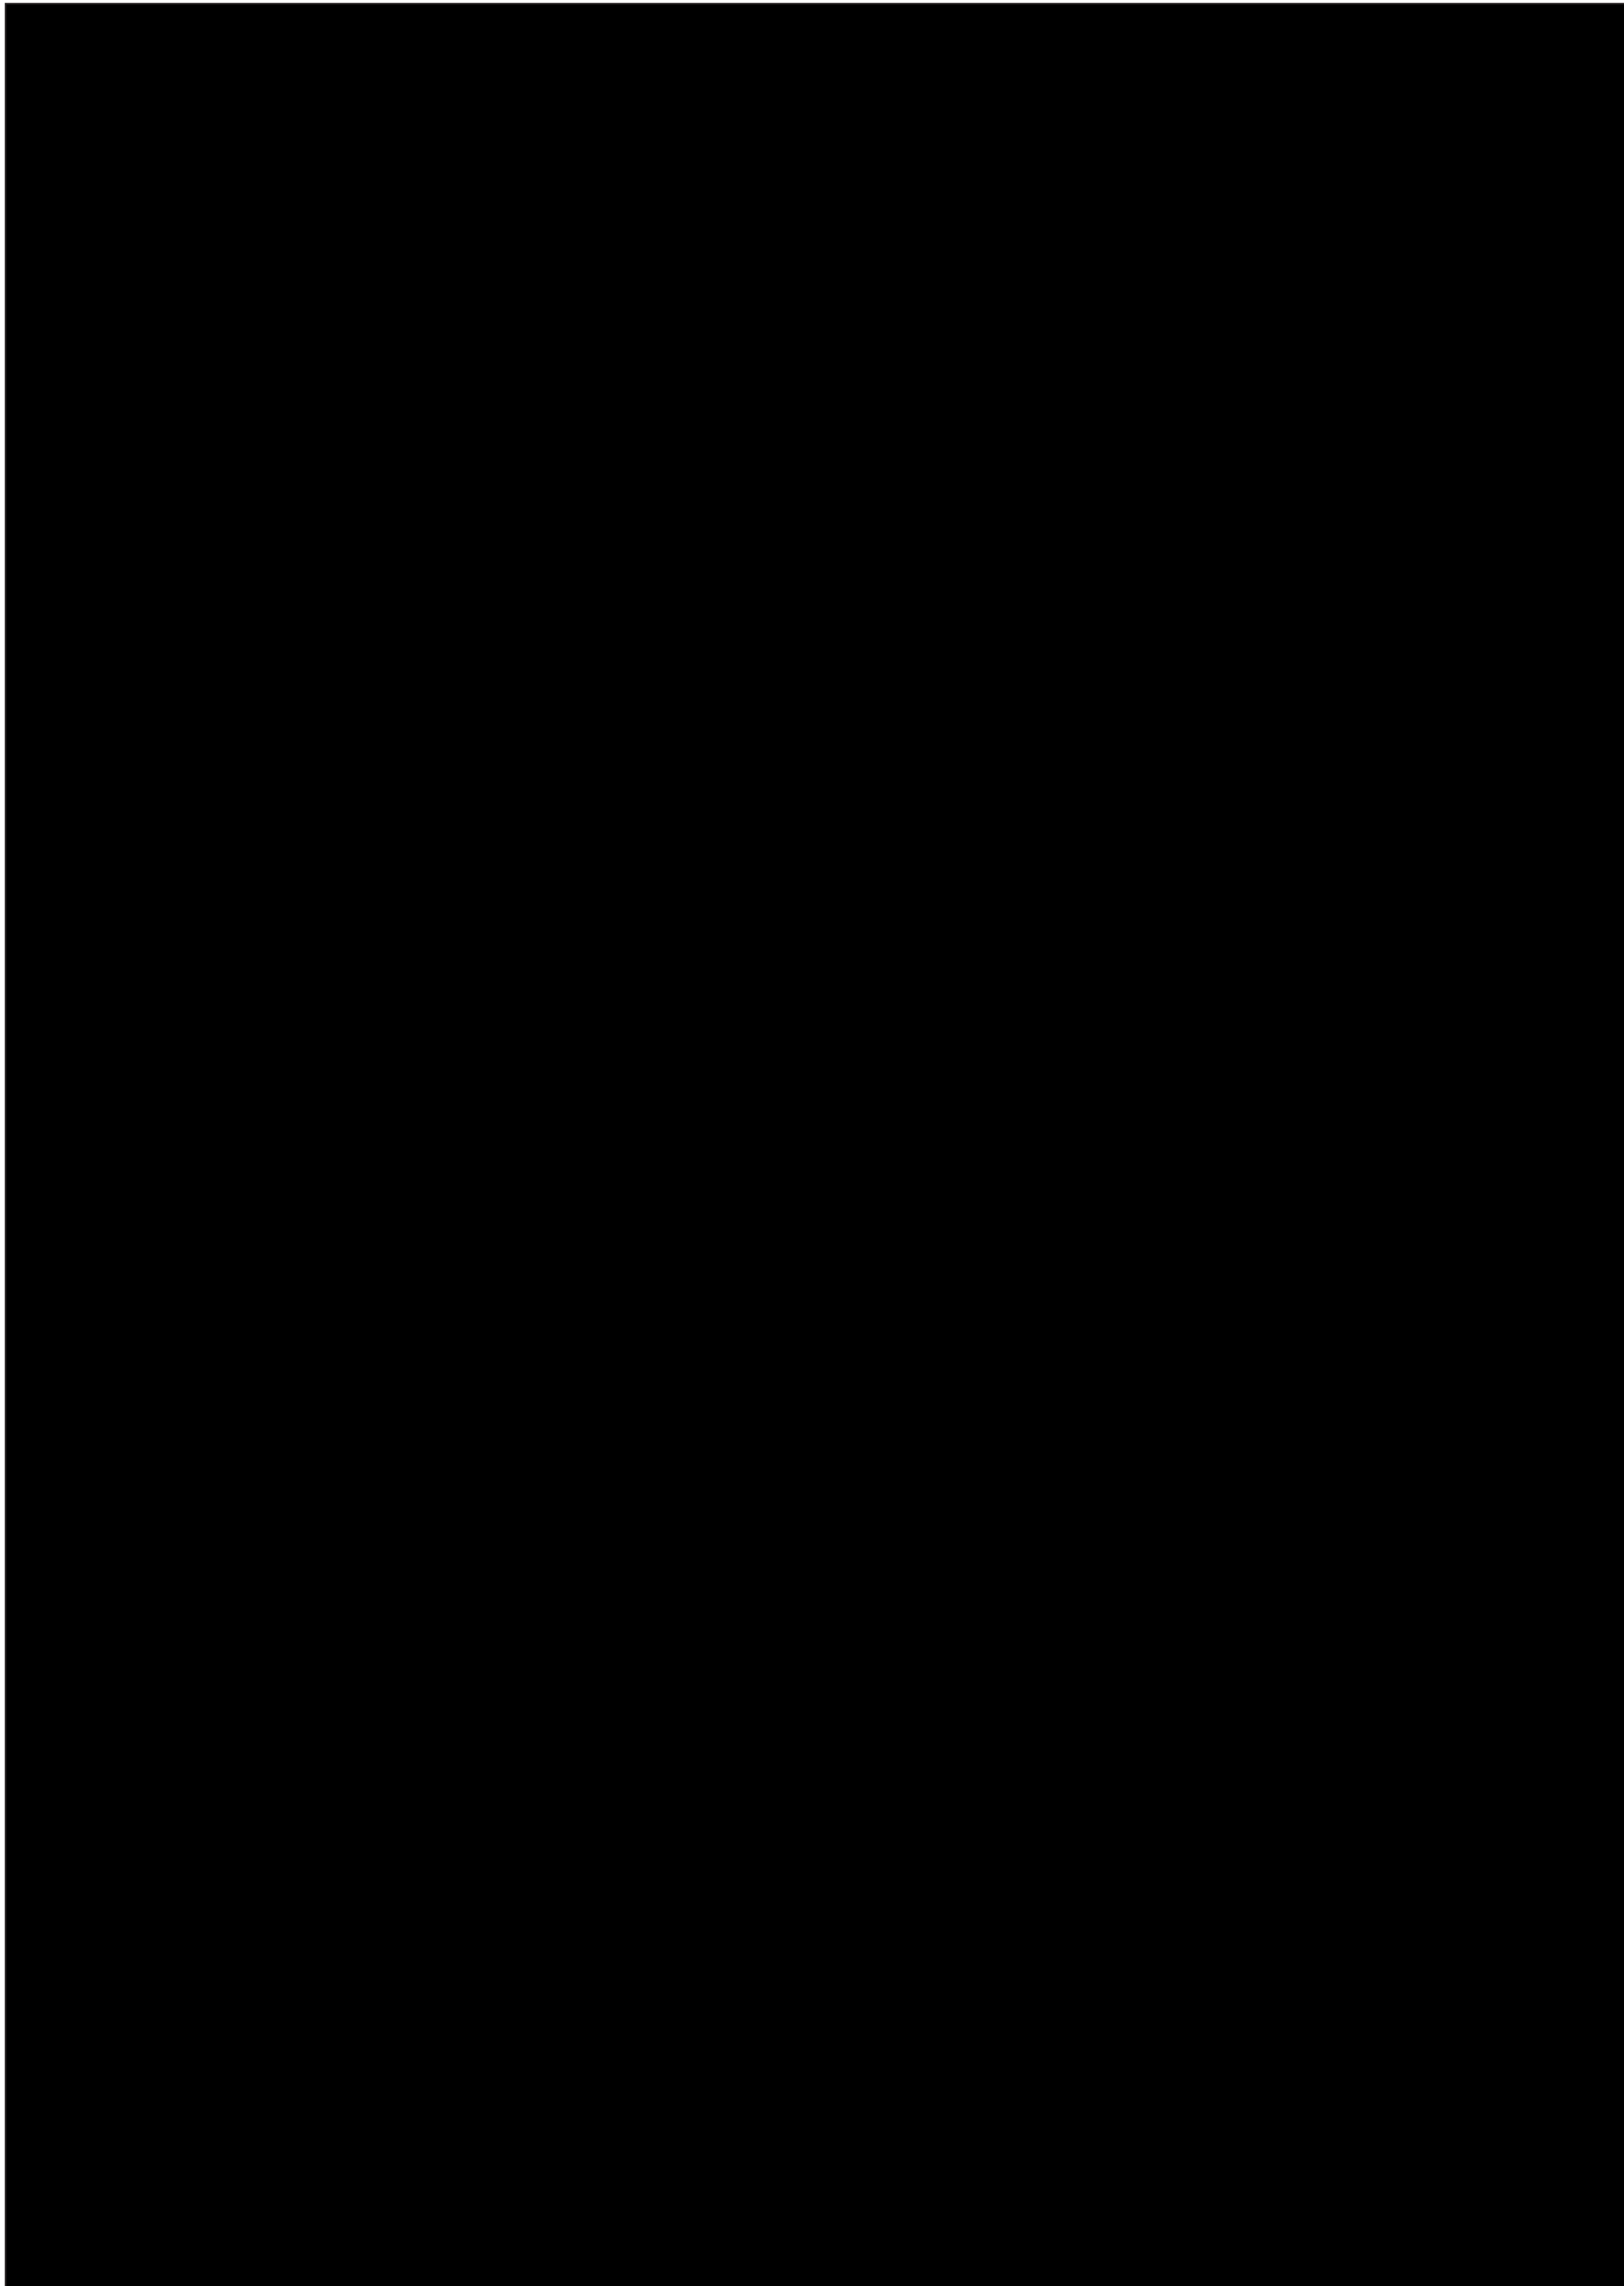

Possessing a natural identity, Humans seem to have lost this quality.

Enthende is a portrayal of this state, capturing a primordial human engaged in its natural behaviour.

Ekeise presents their progression to a defeated state.

Enthende Ekeise is ancient Greek, “from here to there”. Etched on tombs to mark the passage from life to death.
