

CHANGING THE LANDSCAPE

When you buy a bar of Land, you're helping to restore regions that have been damaged from unsustainable cacao farming. We work directly with farmers, helping with funding to restore barren land by planting trees and recovering natural habitats. These new forested areas are a great place for us to grow our cacao.

THE STORY OF UMBRIA

On the 29th August 2016 a wave of earthquakes devastated the region of Umbria, destroying its famous Basilica di San Remigio in Nocera, which is vital in many Italian communities. 100% of the profits from this product will help rebuild areas affected in Umbria.

THE STORY OF LE MARCHE

On the 24th August 2006 the Obligate San Gimignano was damaged by a wave of earthquakes shaking central Italy. 100% of the profits from this product will go directly to charities associated with funding Le Marche.

THE STORY OF ABRUZZO

On 6th April 2009 at 3:32 AM an earthquake shocked the town of L'Aquila. In 2009 further waves of earthquakes shocked Italy, among the regions of Lazio, Le Marche, Abruzzo and Umbria. The remaining buildings and reconstructions of cities stand as symbols of hope, and resilience. We're helping to rebuild the hearts of these historic town centres. 100% of the profits from this product will go directly to charities associated with Abruzzo.

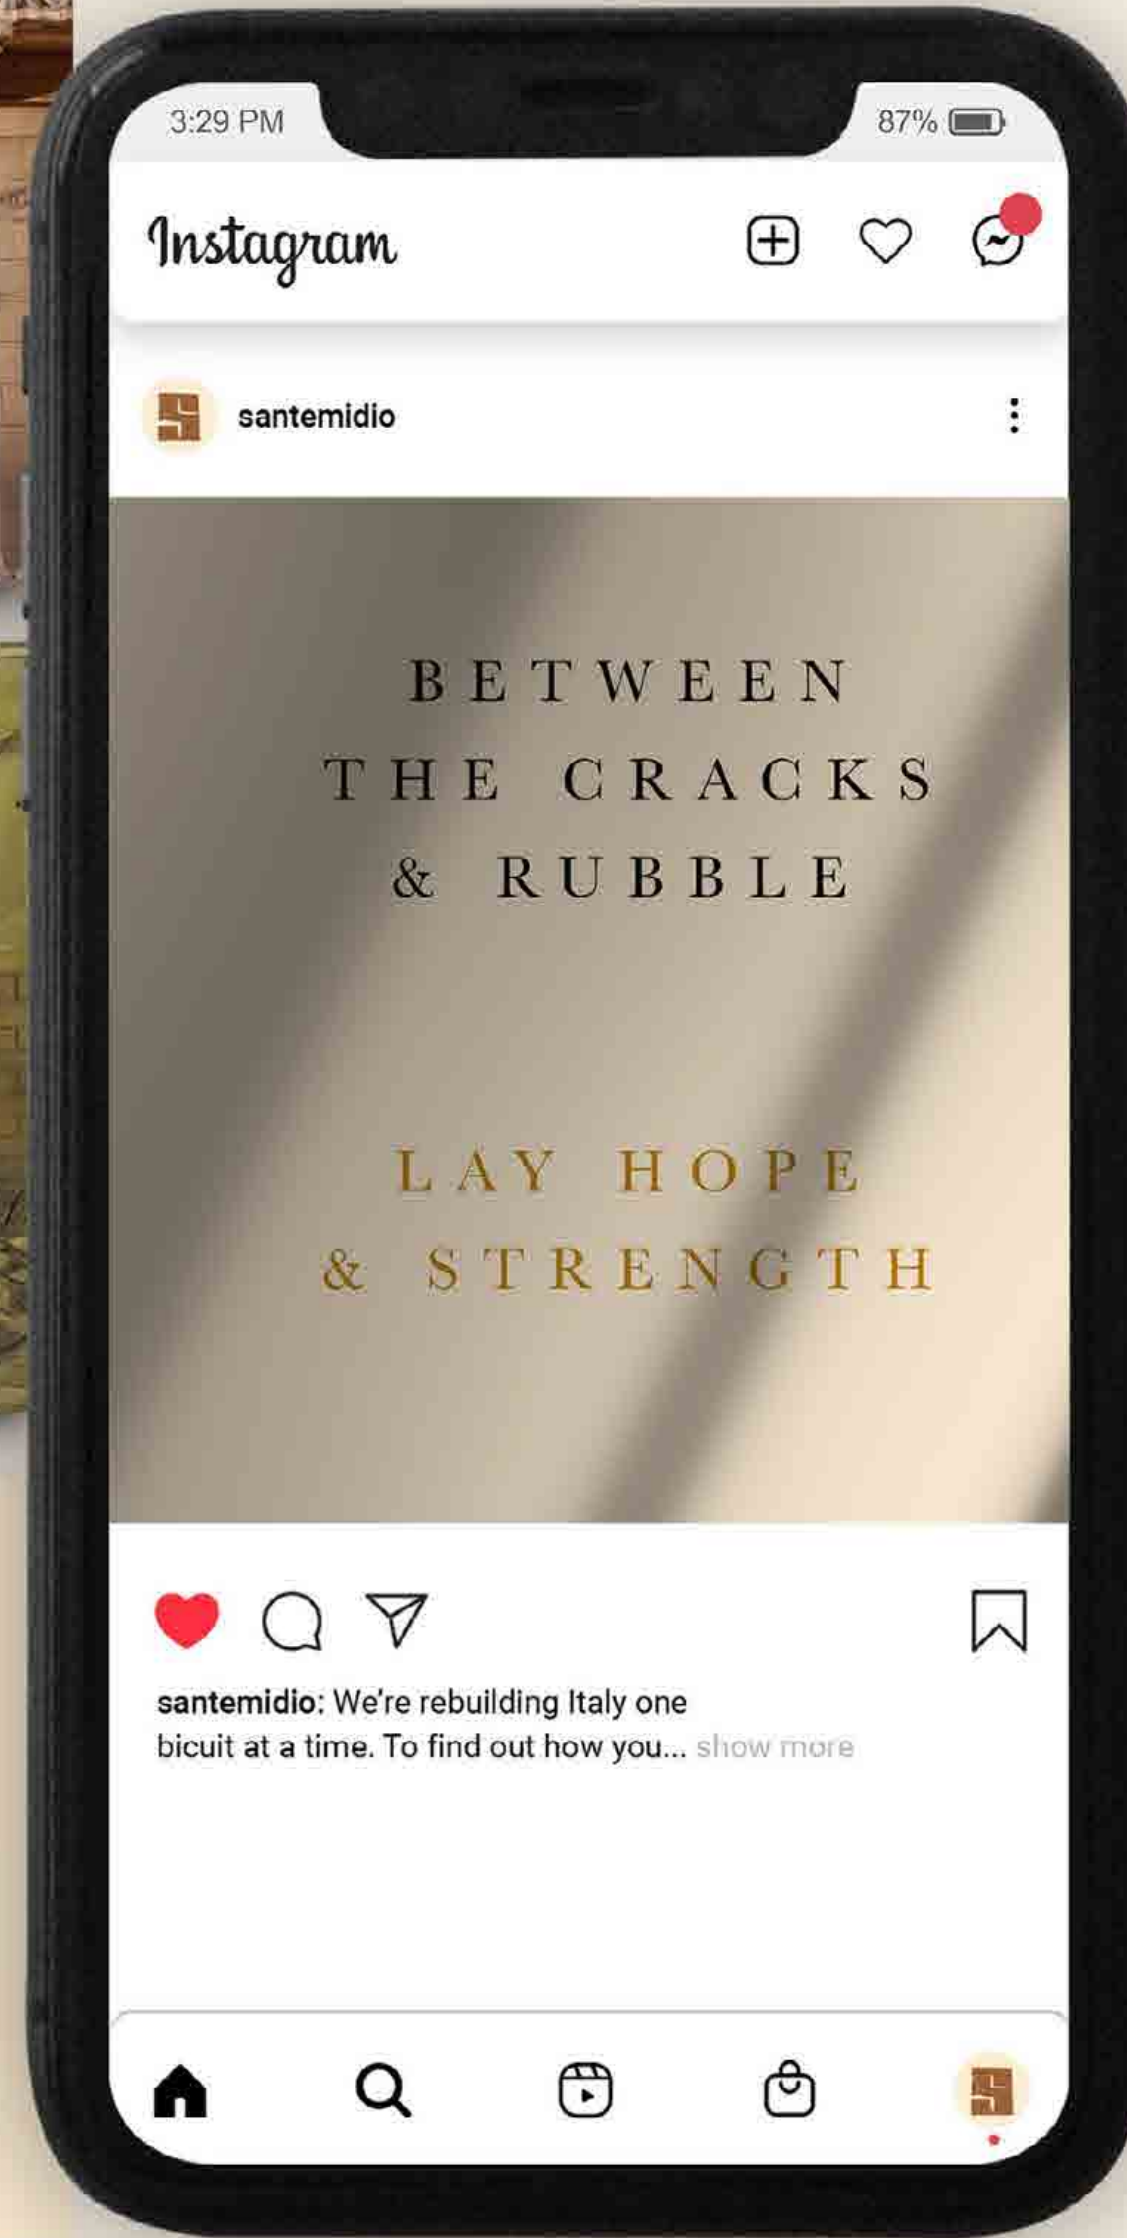

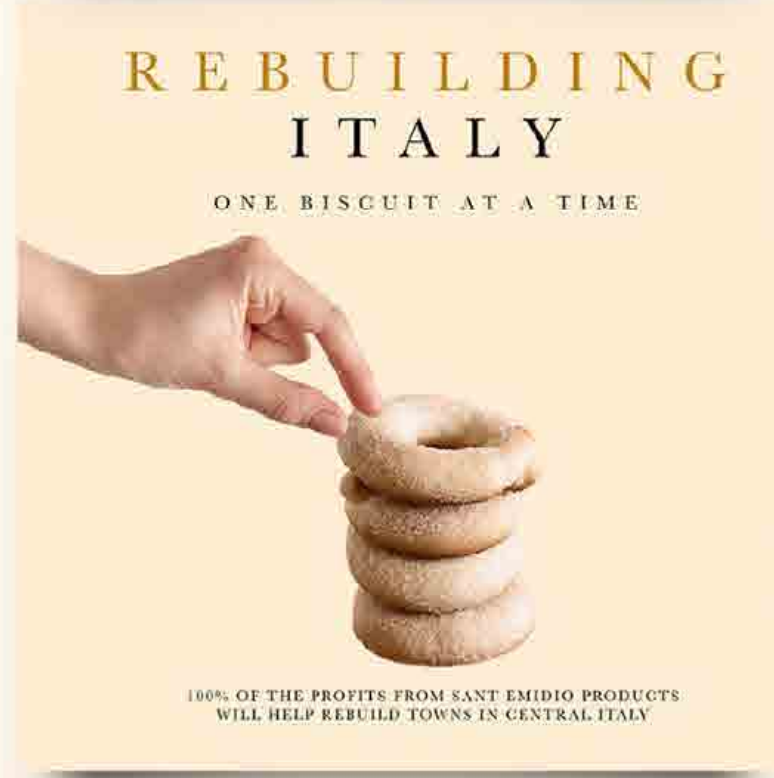

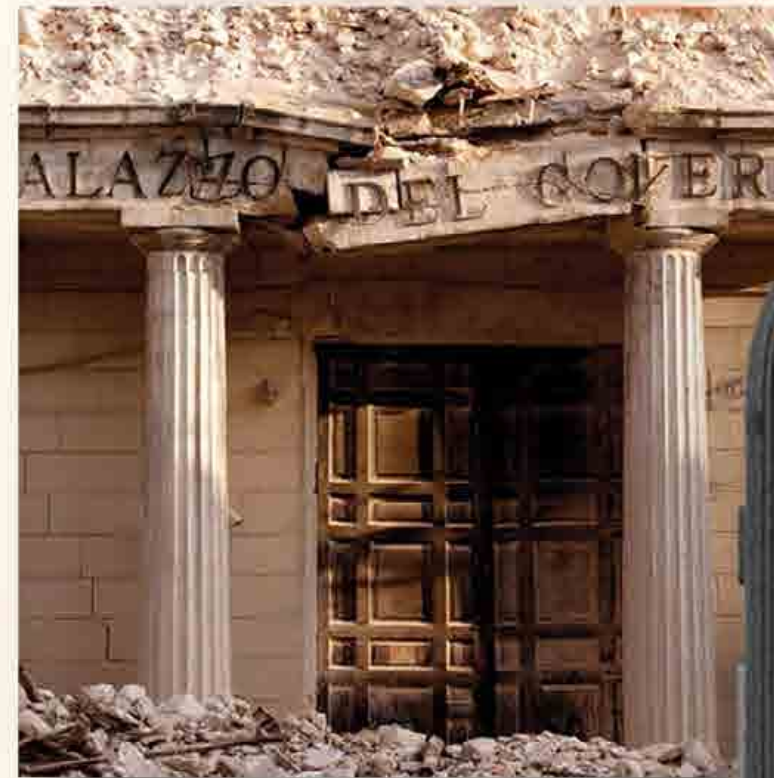

THE STORY OF LAZIO

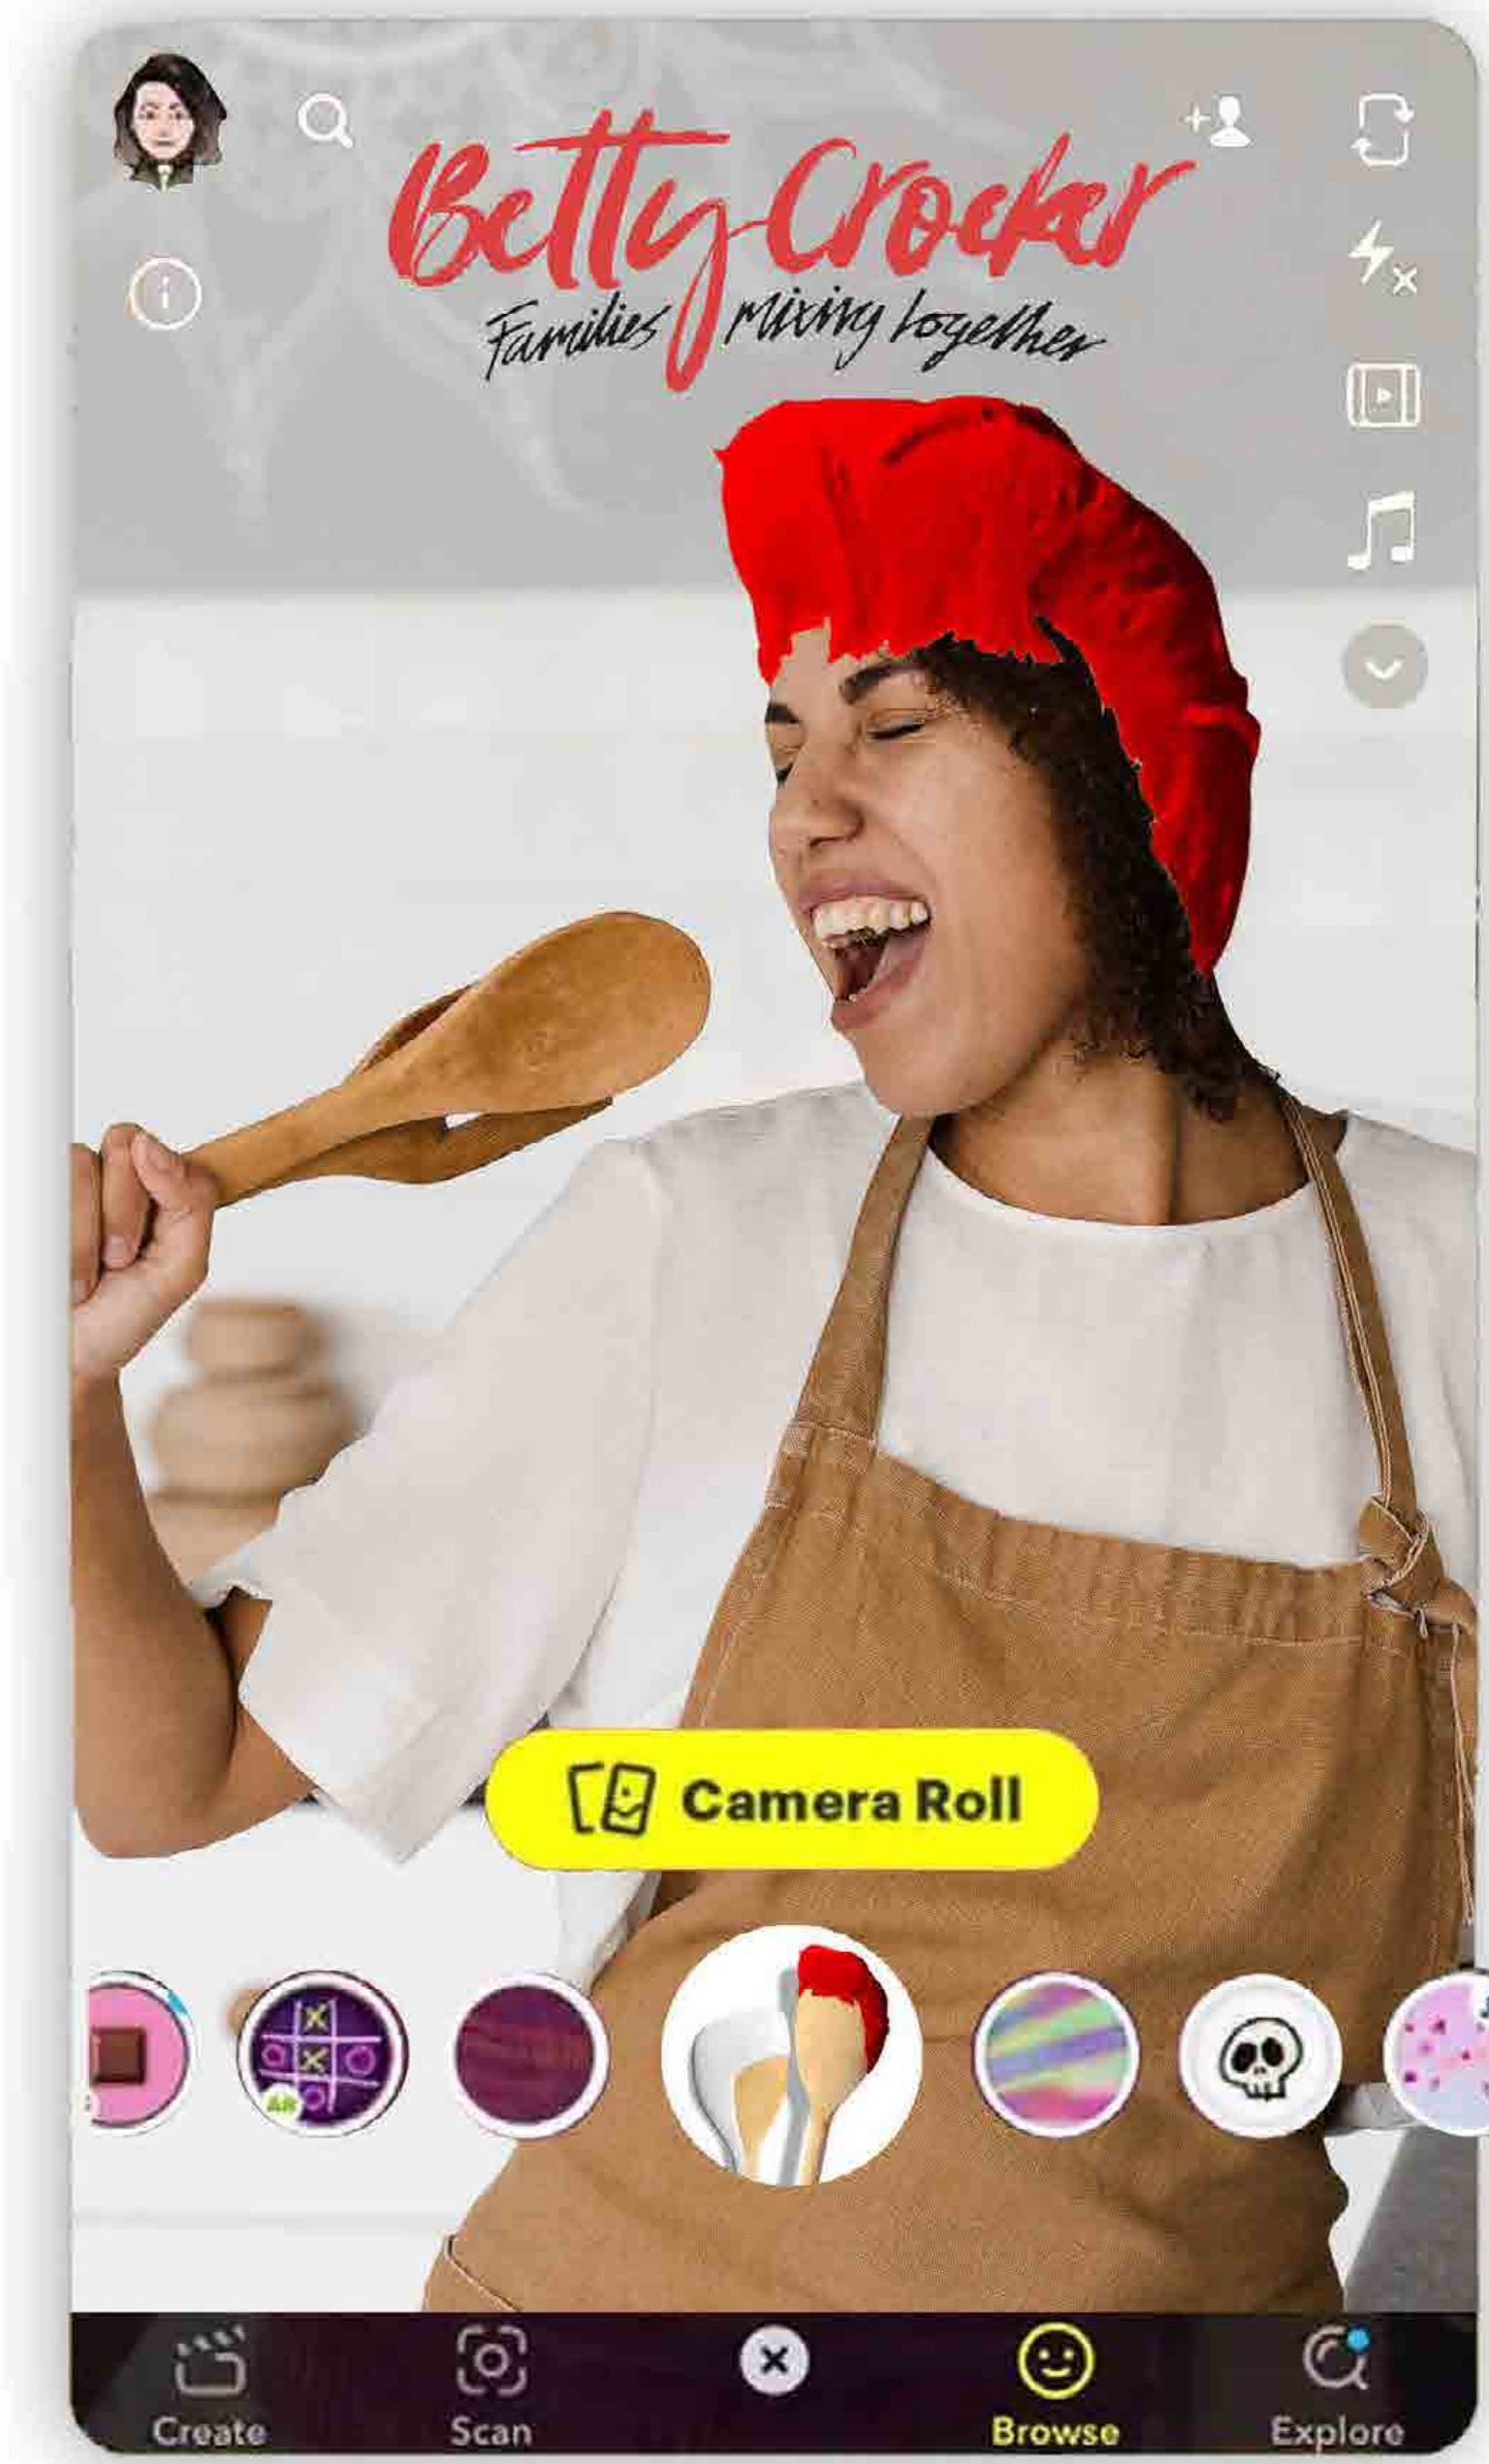

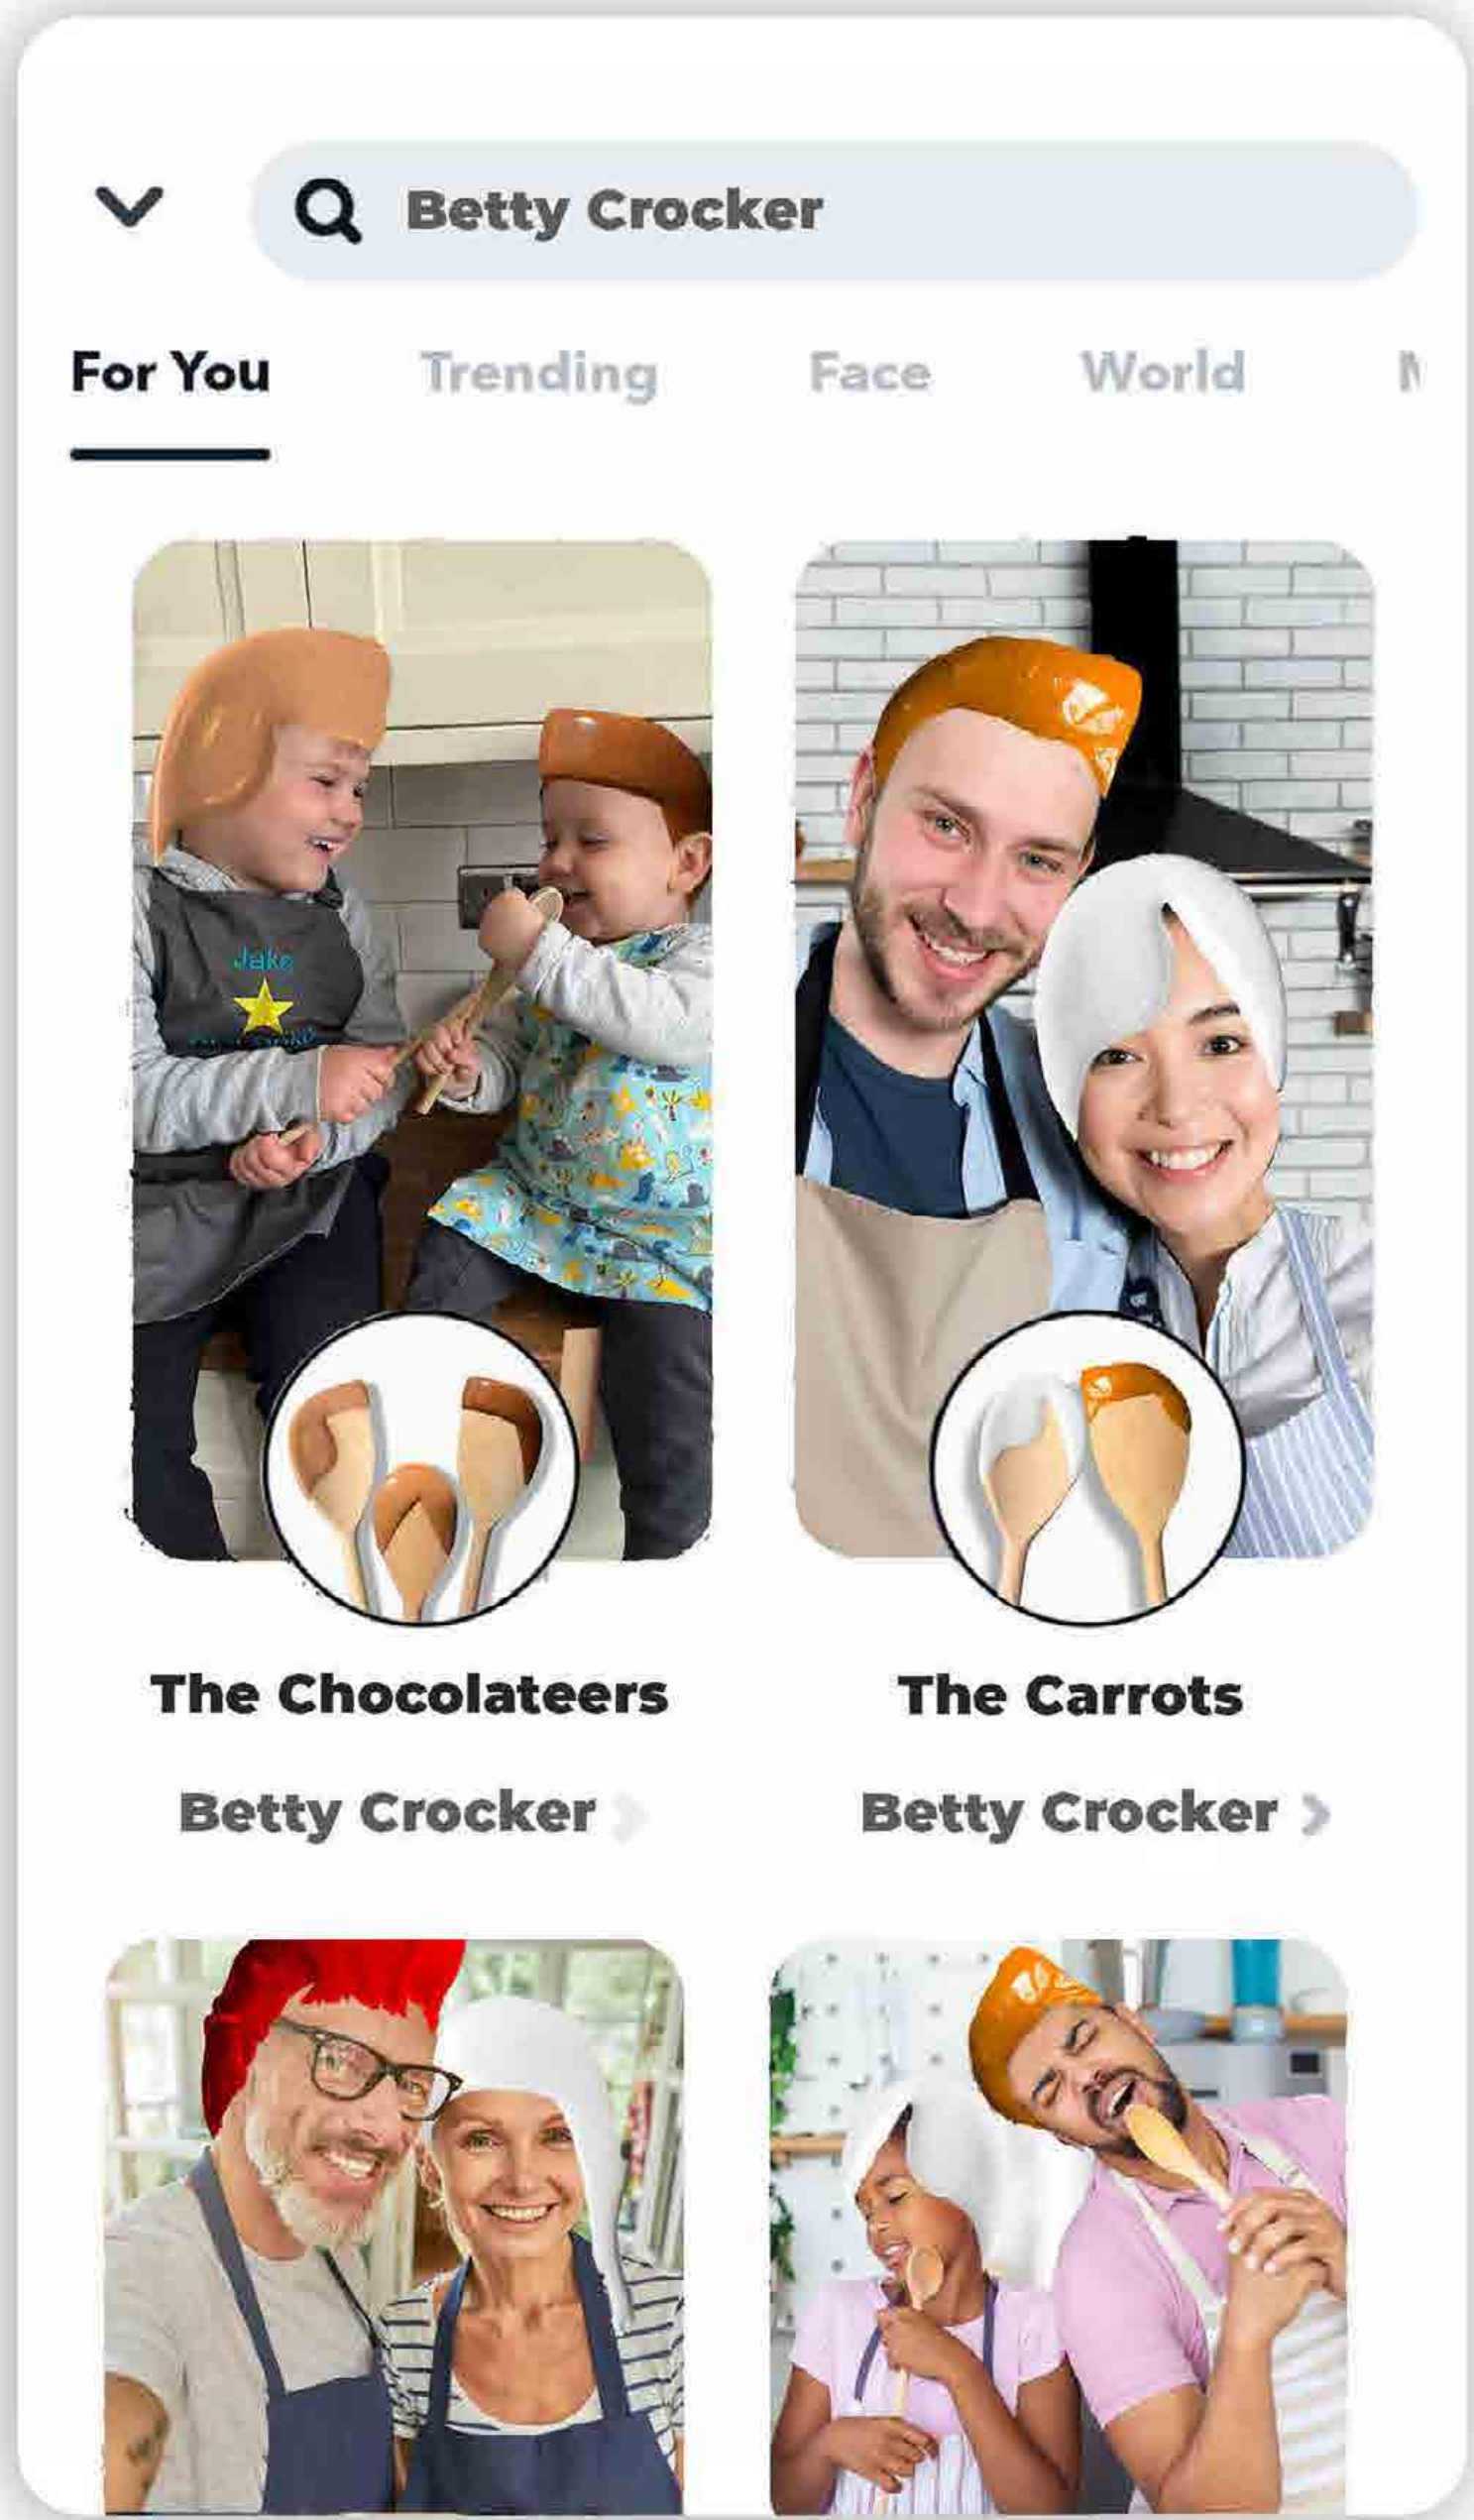

On the 31st August 2006 at 3:30 AM the Earth of the Anagnino & Ardea area was hit. An earthquake shook the town of Anagnino, among 295 towns across the region of Lazio, Le Marche, Abruzzo and Umbria. We're helping to rebuild the hearts of these communities. 100% of the profits from this product will go directly to charities.
